Title: APPARATUS AND PUMP OPERATOR CERTIFICATION

Release Date: September 27, 2012

APPARATUS AND PUMP OPERATOR CERTIFICATION - REQUIREMENTS

To be certified as a Fire Service Apparatus and Pump Operator in the State of Florida, an individual must successfully complete 80 hours of basic certification training for Apparatus and Pump Operators, or have received equivalent training in another state, and pass a state written examination.

Documentation of training is to be submitted with the required **Application for Fire Service Apparatus and Pump Operator Certification Examination (DFS-K4-1457)**, **Personal Inquiry Waiver (DFS-K4-1020)**, along with all other supporting documents, at least 10 business days prior to the scheduled test date.

Please note, when submitting your application, be sure to include the required processing fee.

Two 40-hour courses are required for certification. The courses are offered at the Florida State Fire College, Community and Junior Colleges throughout the state, and some of the **Certified Training Centers**.

FFP1302	Apparatus Operations
FFP1301	Fire Service Hydraulics
