Title: FIRESAFETY INSPECTOR I CERTIFICATION

Revision Date: February 4, 2016

FIRESAFETY INSPECTOR I CERTIFICATION - REQUIREMENTS

To be certified as a Firesafety Inspector I in the State of Florida, an individual must successfully complete a minimum of 200 hours of basic certification training for Firesafety Inspectors, or have received equivalent training in another state, and pass a state written examination.

Documentation of training is to be submitted with the required **Application for Firesafety Inspector Certification Examination (DFS-K4-1023)**, **Personal Inquiry Waiver (DFS-K4-1020)**, along with all other supporting documents, at least 10 business days prior to the scheduled test date.

Please note, the Firesafety Inspector I application requires that you submit fingerprints (digitally)
Reference: 69A-37.0336, F.A.C.

NOTE: [Instructions for Processing Digital Fingerprints through Pearsonvue.com.](#)

Five courses (40 hour minimum each) are required for certification. The courses are offered at the Florida State Fire College, Colleges throughout the state, and some of the **Certified Training Centers**.

For a listing of available courses, visit :

<http://FloridaStateFireCollege.org>
