IN THE CIRCUIT COURT OF THE SECOND JUDICIAL CIRCUIT, IN AND FOR LEON COUNTY, FLORIDA

CASE NO.: 98-1127

In Re: The Receivership of ULTRAMEDIX HEALTHCARE SYSTEMS, INC.,

a Florida corporation.

RECEIVER'S MOTION FOR ORDER APPROVING FINAL CLAIMS REPORT, CLAIMS DISTRIBUTION REPORT AND DISTRIBUTION ACCOUNTING AND AUTHORIZING DISTRIBUTION

THE FLORIDA DEPARTMENT OF FINANCIAL SERVICES, as Receiver of UltraMedix Healthcare Systems, Inc. ("Receiver"), hereby moves this court for an Order approving the Receiver's Final Claims Report, Claims Distribution Report and Distribution Accounting. In support of its Motion, the Receiver says:

- 1. UltraMedix Healthcare Systems, Inc. (UltraMedix) was a Florida corporation previously authorized to transact the business of a health maintenance organization in the State of Florida pursuant to Chapter 641, Florida Statutes. On March 3, 1998, the Second Judicial Circuit Court in and for Leon County, Florida ("Court"), entered its Order Appointing the Florida Department of Insurance as Receiver for Purposes of Liquidation, Injunction and Notice of Automatic Stay ("Order"). On January 7, 2003, the Florida Department of Insurance became a part of the Florida Department of Financial Services.
- 2. This Court has jurisdiction over the UltraMedix Receivership and is "authorized to make all necessary or proper orders to carry out the purposes of the Florida Insurers Rehabilitation and Liquidation Act. Section 631.021(1), Florida Statutes.
- 3. The Receiver has compiled a Final Claims Report dated June 18, 2012 which reflects the classification of filed claims by priority in accordance with Section 631.271, Florida

Statutes, and the claims filing deadline. This report also incorporates the resolution of all timely filed objections and claimant information updates. Future claimant information updates resulting from the distribution process will be incorporated into the Receiver's database. For the Court's convenience, a paper copy of the summary totals from the Final Claims Report (Parts A and B) is attached as Exhibit "A."

- 4. The Receiver previously made a partial distribution of receivership assets in UltraMedix. Said assets were distributed to claimants in classes 1-3 in accordance with a November 2, 2011 distribution order.
- 5. The first distribution was limited to classes 1-3 due to the holding in <u>Ruthardt v.</u>

 <u>United States</u>, 303 F.3d 375 (1st Cir. 2002) where the court ruled that the federal government is exempt from state law deadlines for filing claims in insurance liquidation proceedings.
- 6. In an effort to find a solution to this issue, the Receiver worked with the Department of Justice to obtain a settlement agreement and release from the Federal government. By the terms of the Settlement Agreement and Release (approved by this court on March 29, 2012) the United States releases UltraMedix and the Receiver from any potential federal claims arising out of the UltraMedix estate except for claims related to federal tax, fraud or criminal claims.
- 7. With the approval of the Settlement Agreement and Release with the United States, the Receiver is now in the position to make a distribution of receivership assets to the claimants with amounts recommended in priority classes 4 through 10. Said assets will be distributed to claimants in accordance with the Claims Distribution Report dated June 15, 2012. For the Court's convenience, a paper copy of the summary totals from the Claims Distribution Report is attached as Exhibit "B". The Claims Distribution Report lists all claims in Classes 4

through 10 where an approved amount has been recommended in the Final Claims Report and is in accord with Section 631.271, Florida Statutes.

8. Based upon the Distribution Accounting projected for a June, 2012 distribution,

which is attached hereto as Composite Exhibit "C," the Receiver is prepared to make a

distribution of \$8,797,912.25 to all allowed claims in classes 4 through 10 based on a calculated

distribution of 100% of the amount approved by the Court.

9. The Receiver recommends that the Final Claims Report, Claims Distribution

Report and Distribution Accounting be approved.

10. The Receiver recommends that the distribution amounts intended for the

claimants who did not respond to the Receiver's inquiries, or where inadequate address

information exists, be transferred to the Florida Department of Financial Services, Bureau of

Unclaimed Property.

WHEREFORE, the Receiver respectfully requests this Court grant its Motion and enter

an Order approving the Final Claims Report, Claims Distribution Report and Distribution

Accounting and directing the Receiver to make the above referenced distribution to claimants in

this receivership.

DATED this 26th day of June 2012.

Ultramedix Health Care Systems Analysis of HMOCAP Claim/Distribution Amount Projected for a June 2012 Distribution

The following analysis is provided to explain the zero distribution percentage to Class 6 General Creditors Claims - Guaranty Funds.

- The following Paragraphs from the court order Dated 11/7/03 Approving Petition for Instructions Regarding HMOCAP Claims apply for this analysis. (Case No. 97-2829 in the 2nd Circuit for Leon County)
 - (G) In the event that the Receiver is able to make distributions to Class 6 or lower priorities, all post liquidation premiums received by the HMOCAP shall be used to offset the HMOCAP Claims in those classes.
 - (H) The HMOCAP shall not receive additional funds from the Receiver beyond those identified in sub-paragraph F until all other claimants in that class have received an equal percentage distribution. For example, if the HMOCAP collected 50% of its claims payments, the HMOCAP would not share in the Class 6 distribution until other Class 6 creditors receive a distribution amounting to 50% of their allowed claims. Thereafter, the HMOCAP would be treated equally with all other Class 6 claimants.
- II. There has been one previous distribution:
 - (1) November 2011 100% to Classes 1,2 and 3.
- III. The HMOCAP received post liquidation premium and by application of paragraphs (G) and (H) has effectively received the following percentage of their Class 6 claim:

- IV. There are sufficient funds remaining in this estate to make a 100% distribution to all remaining classes.
- V. A distribution of \$940,963.13 (41.8587%) will be made to the HMOCAP for the remainder of their Class 6 claim to achieve a 100% distribution.
