- Mark Harper is the new Bureau Chief of the Florida State Fire College.
- Thomas DiBernardo, due to successful legislation, has been approved for appointment to the Firefighters Employment, Standards and Training Council representing the Florida Department of Health (EMS).
- Surfside Collapse – Director Halas noted that the Governor, Lt. Governor and CFO all visited the site. The State sent multiple task force teams to assist including the State Fire Marshal’s Specialty Response team and Chaplains. The largest Florida US&R deployment that was not for a hurricane. Council Member Mike Bellamy stated what he and his team saw at the site.
- Thanked Chief Mike Tucker for his service at FSFC.

REPORT FROM DIVISION: *given by Julius Halas, Director*

- The Council’s letter of support for a new FCDICE system was sent to the CFO, the support is much appreciated.
- The Joint Council of Fire & Emergency Services also supplied a letter of support.
- It has been approved by the CFO and Deputy CFO to go into the budget and sent to the Capitol. Will keep the Council informed of any updates.
- Surfside Collapse –Dave Downey and Jeff Strickland were on site as part of our Specialty Response Team as agency representatives, they are both former leaders on Task Force 2. The new, current chief, Chief Cominsky (Miami-Dade) was the head incident command (with a full incident support team with many assets).
