

# Visa® Interchange Rate and Payment Network Fee Schedule

Here are the criteria for most interchange programs and payment network fees, and a summary of primary qualifications established by Visa®. Keep in mind, the Visa network publications will apply to the transaction if there's a conflict between fee schedules. You can find the current Visa interchange rates at <https://usa.visa.com/support/small-business/regulations-fees.html>.

All fees are billed by and owed to Bank of America — this includes fees that have a payment network name in their description.
