Steps to Apply for Temporary and Permanent License Types on Same Application in MyProfile

NOTE: These instructions apply for ALL temporary and permanent license types. The T2-14 Temporary Life & Variable Annuity and permanent 2-14 Life & Variable Annuity license types are used as examples for the purpose of creating these instructions.

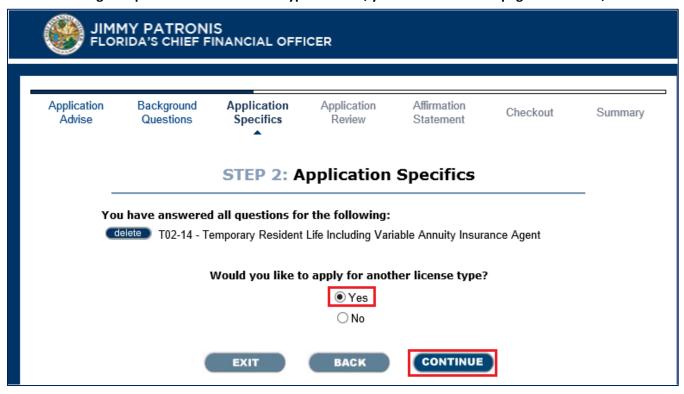

1. After answering all background questions in Step 1, select whether applying for a Temporary or Permanent license. Select *Temporary*, then *Continue*.

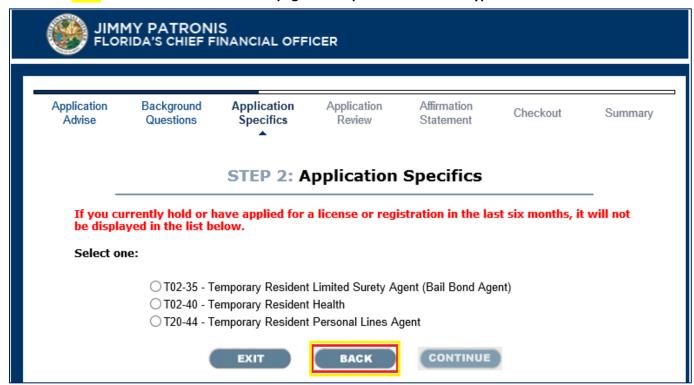

2. Select the temporary license type you wish to apply for, then Continue.

3. After answering the questions for the license type selected, you will come to this page. Select Yes, then Continue.

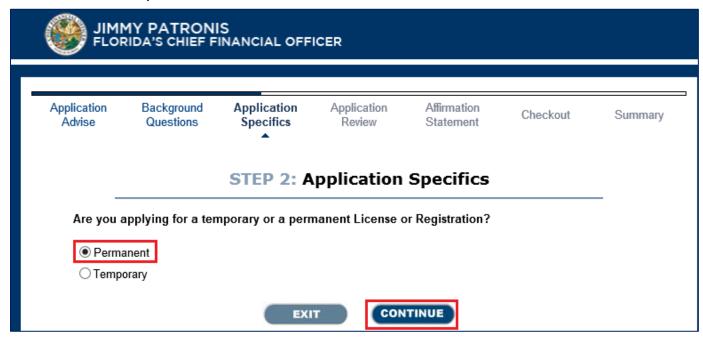

4. Answering yes above will take you back to the screen where you can add additional temporary license types.
Select the Back button at the bottom of the page to add permanent license types.

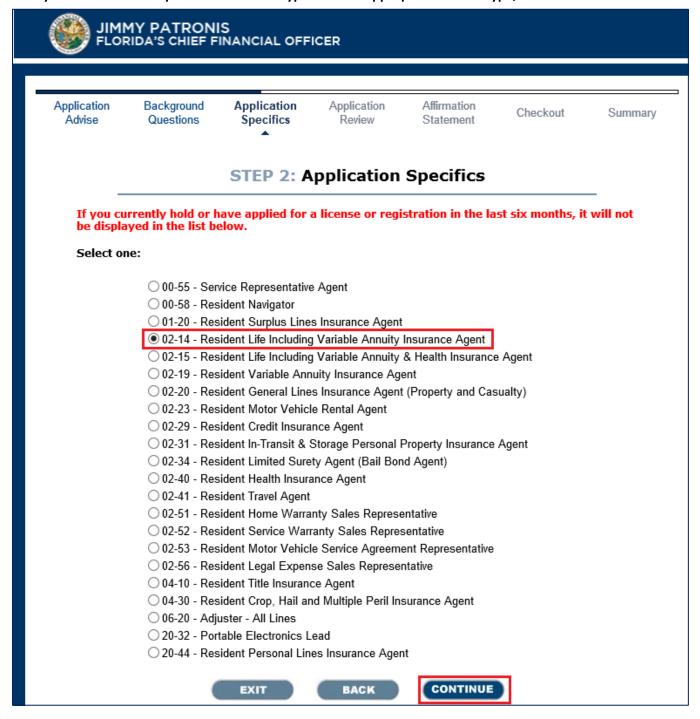

(Note: If you're applying for more than one temporary license type, do this step after you finish adding all temporary licenses to the application.)

5. Now select Permanent, then Continue.

continued on next page...

6. Now you can select from permanent license types. Select appropriate license type, then Continue.

7. Answer questions for permanent license type(s) and complete application.
