INTRODUCTION

The Department of Financial Services (DFS) has completed a review of the budget certifications made by the Alachua County Clerk of Circuit Court's Office to the Clerks of Court Operations Corporation (CCOC), pursuant to Section 28.35(3)(b), Florida Statutes (F.S.). The scope of our review focused on validating the processes and methodologies utilized in the development of the Clerk's budgets for fiscal years 2004-2005 (FY 04-05), 2005-2006 (FY 05-06) and 2006-2007 (FY 06-07).

The Chief Financial Officer (CFO) has contracted with CCOC to establish a process for review and certification of court-related budgets submitted by the Clerks of Circuit Courts. The CCOC is responsible for calculating the maximum authorized annual budget, identifying budgets exceeding the maximum expenditure amounts for a standard list of court-related functions and identifying budgets that have insufficient revenues to cover court-related expenditures, pursuant to Section 28.36, F.S.

SUMMARY

- The FY 04-05, FY 05-06 and FY 06-07 approved budgets were \$5,851,446, \$5,869,548 and \$6,558,296 respectively.

- Budgeted revenues for FY 04-05 were \$6,126,000. Actual revenues and expenditures as reported by the Clerk were \$6,127,829 and \$5,693,342 respectively, resulting in a \$434,487 surplus for FY 04-05. The Clerk remitted the FY 04-05 surplus to the Department of Revenue (DOR) on January 11, 2006 for deposit in the General Revenue Fund, pursuant to the provisions of Section 28.37(4), F.S.

- Projected revenues for FY 05-06 were \$6,173,778. Actual revenues and expenditures as reported by the Clerk were \$6,665,146 and \$5,822,402 respectively, resulting in an \$842,744 surplus for FY 05-06. SCOPE, OBJECTIVES AND METHODOLOGY

Scope

The scope of our review included an analysis of the development of the Clerk's FY 04-05, FY 05-06 and FY 06-07 budgets. Our review was conducted on April 25 - 27, 2007 at the Alachua County Clerk of Circuit Court's Office.

Objectives and Methodology

The budget review was conducted with the following objectives:

- Each Clerk shall develop a budget funded from fees, services charges, court costs and fines, pursuant to Sections 28.35, 28.36 and 28.37, F.S. Clerks must provide detailed information on expenditures necessary for the performance of court-related functions using the court-related codes in the Uniform Accounting System Manual (UASM). The budget shall be submitted annually to CCOC for review and approval. The CCOC budget approval process focuses on the following key components:
 - Overhead Cost Allocation – The Alachua County Clerk's Office applied a 73.64 and 71.92 percent cost allocation rate to the FY 04-05 and 05-06 certified annual budgets. A 72.11 percent cost allocation rate is being utilized for the FY 06-07 budget.
 - Our review of supporting documentation disclosed that the methodologies used to calculate and distribute overhead costs were reasonable.
 - Distribution of Court-Related FTEs – The Alachua County Clerk's Office budgeted 130.71 of 177.50, 132.71 of 184.53 and 137.00 of 190.00 FTEs for FY 04-05, FY 05-06 and FY 06-07 respectively, to be directly supportive of court-related functions.

The final approved budget for FY 06-07 is \$6,558,296. Major expenditure categories are: Personal Services (\$6,078,296) and Operating Expenses (\$480,000).
 - o Revenue Forecasting – Budgeted revenues of \$6,126,000, \$6,173,778 and \$6,753,684 were calculated for FY 04-05, FY 05-06 and FY 06-07 respectively, based on prior period data and management’s assessment of future operational activities.
 - o Our review determined the Clerk’s FY 04-05, FY 05-06 and FY 06-07 budgets were prepared pursuant to CCOC instructions and submitted in accordance with the provisions of Section 28.36, F.S.
- Expenditures during the review period were limited to court-related functions as specified in Section 28.35(4)(a), F.S.
- Revenues for fees, services charges, court costs and funding for court-related functions for FY 04-05 and FY 05-06 were assessed pursuant to the provisions of Chapter 28, F.S. The Clerk’s budget for FY 06-07 was based on projected revenues from the same sources, pursuant to Section 28.36, F.S.
- Clerks are required to maintain a partial fee payment system, pursuant to Section 28.246, F.S. The Alachua County Clerk’s Office is currently utilizing an internal database system to account for partial fee payments. The Clerk is currently contracting with an external collection agency (S.C. Services and Associates, Inc.) to assist with collecting outstanding aged receivables.

FINDINGS AND RECOMMENDATIONS

Finding Number 1:

Based upon our review, we found the Clerk’s budgeting practices and expenditure methodologies for State funds to be efficient and accurate. We concluded the Alachua County Clerk’s Office is currently able to report on all required performance standards. However, through the time of our review in FY 06-07, the Alachua County Clerk’s Office is not in compliance with the revenue remittance directives prescribed in Section 28.37(2), F.S.

Recommendation Number 1:

The Clerk should closely adhere to and follow all revenue remittance requirements as directed by Section 28.37(2), F.S. Our review concluded that \$27,372 should be remitted to the Clerks of the Court Trust Fund to ensure statutory compliance for FY 06-07.
