2) Agency Representations for Federal Awards – Due November 8, 2022

In connection with the annual audit of the State of Florida’s federal awards, the Chief Financial Officer (CFO) is required to make certain written representations to the Auditor General which relate to the expression of audit opinion as to the extent of the state’s compliance with laws, regulations, and provisions of contracts and grant agreements governing the administration of federal awards for the fiscal year ending June 30, 2022. Your assistance in providing written representations relevant to your agency is necessary to support the CFO’s representations to the auditors.

The “[Agency Representations – Federal Awards](#)” letter template will be available on the DFS website by the end of July. This template must be used and printed on your agency letterhead. **Please note that this is a standard letter and changes should not be made to the letter.** Additional information or

comments may be provided using the form titled “Agency Representations - Attachment for Additional Information”, also available on the website. The agency head’s signature is required on the completed letter.

Please execute the Agency Representations for Federal Awards letter on or after November 1, 2022, and email the submission to FinancialReporting@myfloridacfo.com by November 8, 2022.

Although the representations are made in writing to the CFO as of November 1, 2022, the period covered by these representations extends to issuance of the audit report. You must notify the CFO prior to the issuance of the audit report if any changes should be made to your written representations.
