SUBJECT: DIVISION WEBSITE PROJECT – PHASE THREE UPDATES

The Florida Department of Financial Services, Division of Accounting & Auditing (A&A) is in the process of revamping the Division website to provide a more user-friendly experience. Our goal is to make the website easier to navigate and locate information for our customers (e.g., agency personnel, vendors, the public).

After surveying customers and gathering requirements, the Division is updating the A&A website pages listed below.

The following changes will be made on November 18, 2024:

- **Agency Operations** – This replaces the Financial Guidance for State Agencies page. The name was changed for clarity and the information on the page condensed for easier navigation. All trainings and job aids were moved to the Training pages.
 - Link: <https://www.myfloridacfo.com/division/aa/agency-operations/>
- **Division Calendar** – All meetings, workshops, trainings, and workgroups are displayed on this new calendar. The Florida Administration Services Meeting and Financial Policy Workgroup information has been incorporated into this page.

- **Sitemap** – Frequently used resources are listed here, along with links to pages for ease of navigation.
