MFMP Known Issues

The MFMP team provides information about the issues in Ariba on Demand (AOD) via a Known Issues list.

- The Known Issues list includes information on each issue such as a description, the impact on customers, a temporary fix (if available), the status, and the impacted functional area of AOD.

- An updated version of the Known Issues list is sent to the Agency Change Network weekly and current known issues are discussed with Office Hours attendees.

- The most current version of the Known Issues list may be found on the MFMP webpage.
