**Statewide Expenditure Object Codes**

The Statewide Expenditure Object Code list below represents a uniform codification of expenditures for use by all state agencies in FLAIR. State agencies no longer have the capability to create unique expenditure object codes by changing the last two digits of the full six digit structure. All codes below will be available for use by all agencies. The Department of Financial Services now maintains the FLAIR Title File for all OLOs.

Object Code - First 4 Digits	Object Code	Long Title	Short Title	1099 Reportable	W9 Required	Prompt Payment	Definition	Add date to SWOC List	Date of Last Information Update (1099 Reportable, W9 Required, Prompt Payment, Definition)
