All data, other than signatures, should be typed or printed. If any part of the form is not legible or the data is incomplete the form will be returned.

- Indicate the type of affidavit. Select 'Affidavit Attesting to Payee's Non-Benefit of State Warrant' when the warrant was cashed without you endorsing it and you did not receive the funds. Select 'Affidavit Attesting to Forgery' if your signature was forged on the warrant when it was cashed and you did not receive the funds.
- The DFS Stop Order Number is assigned by the DFS staff and will be assigned upon receipt of the completed form or upon request of the Treasury.
- State: Enter the state in which this affidavit is being notarized.
- County: Enter the county within the State in which this affidavit is being notarized.
- Claimant Name: Enter the name of the person who is making the request for a replacement warrant. This can be the Payee (if an individual), a responsible officer of the Payee (if a company or organization) or a responsible State Agency representative.
- FLAIR account code: Enter the 29 digit FLAIR account code from which the original warrant was issued.
- Payable to the order of: Enter the payee name as it was written on the original warrant.
- Warrant number: Enter the ten-digit warrant number of the original warrant.
- Warrant date: Enter the date of issuance of the original warrant.
- Amount: Enter the dollar amount of the original warrant.
- Signature: The person making the statement about the original warrant should sign his/her name here. This must be the same person listed in the CLAIMANT name field at the top of the form.
- Title: If the Payee is an individual, this field is N/A (not applicable). If the Payee is a company or organization, please enter the title of the officer requesting the replacement warrant. If a state agency representative fills out the form, list that person's title here.
- Address: Enter the address of the person making the request for duplicate.
- City, State and Zip: Enter the City, State and Zip Code of the person making the request for replacement.
- The Witness 1 and 2 information is only applicable if the Payee is a person who cannot sign his/her name. If they mark their signature with an "X", it must be witnessed by two persons, one of which can be the notary. The address, city, state and zip code of the witnesses 1 and 2 must be completed.
- Sworn to and subscribed before me this: The notary must enter the date he/she notarized the form.
- The notary must print or type the name of the person making the request for the replacement warrant.
- Signature and Stamp of the Notary Public; the name of the state in which the Notary Public is commissioned: The Notary Public must provide the aforementioned information. If the document is notarized in another state, and that state's notary laws do not require a commission number, then a letter stating such must accompany this form, a photocopy of that state's notary laws must accompany the affidavit.
- Print, type, or stamp the name of the Notary Public as Commissioned in this box.
- Personally known or produced identification: In this box the Notary should place an "X" if the claimant is personally known by the Notary. If not, leave blank.
- Produced identification: In this box the Notary should place an "X" if the claimant IS NOT known by the Notary but produces sufficient identification. If the Notary checks this box, enter the type of identification produced: Put a brief description of the type of identification in this box. For example, "Florida Driver's license".
