IN AND FOR LEON COUNTY, FLORIDA

In Re: The Receivership of  
INSURANCE COMPANY OF FLORIDA

CASE NO. 1992-CA-005286

**RECEIVER'S MOTION FOR APPROVAL OF THE FINAL CLAIMS REPORT  
FOR CLASSES 1-8, CLAIMS DISTRIBUTION REPORT AND DISTRIBUTION  
ACCOUNTING AND FOR ORDER AUTHORIZING DISTRIBUTION**

THE FLORIDA DEPARTMENT OF FINANCIAL SERVICES as Receiver of Insurance Company of Florida (hereinafter the "Receiver"), moves this Honorable Court for the entry of an Order approving the Receiver's Final Claims Report for Classes 1-8, Claims Distribution Report and Distribution Accounting and for Order Authorizing Distribution and in support of its motion states:

1. Insurance Company of Florida (hereinafter "ICF"), was a Florida corporation previously authorized to transact insurance business in the State of Florida. On December 29, 1992, this Court adjudicated ICF insolvent and entered an Order Appointing the Florida Department of Insurance as Receiver (of ICF) for the Purposes of Liquidation, Injunction, and Notice of Automatic Stay (the "Order"). On January 7, 2003, the Florida Department of Insurance became a part of the Florida Department of Financial Services.

2. This Court has jurisdiction over the ICF Receivership and is "authorized to make all necessary or proper orders to carry out the purposes of the Florida Insurers Rehabilitation and Liquidation Act, section 631.021(1), Florida Statutes.

3. The Receiver's First Interim Claims Report (*Receiver's Motion for Order Authorizing Distribution to Class 3 Employee Priority Claim and memorandum in Support of Same*) was filed September 27, 1993, and approved by this Court's Order on September 29, 1993. This report contained the eighteen then Class 3, now Class 5, claims of company

employees of ICF. The Receiver's Second Interim Claims Report was filed on February 7, 2011, and approved by this Court's Order on February 8, 2011 (attached as **EXHIBIT A**). This report contained the filed claims from all states in Class 1 and Class 2, except for Puerto Rico claims. The Receiver's Third Interim Claims Report was filed on September 19, 2011, and approved by this Court's Order on September 26, 2011 (attached as **EXHIBIT B**). This report contained the filed claims in Class 2 for Puerto Rico claimants, Class 3 claims of all states, and one Class 5 employee claim. The claims of the Puerto Rico Insurance Guaranty Association ("PRIGA") and one pending Class 2 loss claim were not included. The Receiver's Fourth Interim Claims Report was filed June 2, 2015, and approved by this Court's Order on June 3, 2015 (attached as **EXHIBIT C**). This Report contained the two Class 1, one Class 2, and one Class 3 claims of the PRIGA, as well as two Class 2 loss claims. The Receiver's Fifth Interim Claims Report was filed on March 7, 2016 and approved by this Court's Order on March 11, 2016 (attached as **EXHIBIT D**). This report contained claims in Class 4, Class 6 and Class 8. There are no Class 9 claims in the ICF estate.

4. The Receiver's Final Claims Report is extremely detailed and contains non-public personal information, including personally identifiable financial information, relating to the claimants. Pursuant to Federal Law, specifically the Gramm-Leach-Bliley Act, 15 USCS §6801 (hereinafter the "Act"), there is an obligation to protect the security and confidentiality of an individual's non-public personal information.

5. In furtherance of the Act's purpose, and in order to protect claimants of the ICF estate, the Receiver has not attached the full Final Claims Report for Classes 1-8 to this motion. Instead, the Receiver offers summary pages of the report that reflect the total amounts claimed and recommended by the Receiver. Upon this Court's request, the Receiver would immediately

provide a full copy of the Final Claims Report for Classes 1-8. The Receiver's Final Claims Report for Classes 1-8, dated May 5, 2016, is broken down into two parts. Part A is for non-guaranty association claimants and Part B is for guaranty association claimants. Summary pages of both Parts A and B are attached as **COMPOSITE EXHIBIT E**. This report reflects classification of filed claims by priority in accordance with section 631.271, Florida Statutes. The total amount claimed in Part A of the Report is \$210,669,686.44. The total amount recommended by the Receiver in Part A of the Report is \$4,067,452.85. The total amount claimed in Part B of the Report is \$20,372,712.32. The total amount recommended by the Receiver in Part B of the Report is \$19,708,743.01. The Final Claims Report for Classes 1-8 also incorporates the resolution of all timely filed objections and claimant information updates. Future claimant information updates resulting from the distribution process will be incorporated into the Receiver's database.

6. With the approval of the Receiver's Final Claims Report for Classes 1-8 and the collection of assets in the receivership, the Receiver is now in the position to make a distribution of receivership assets. The Receiver previously distributed to Class 1, Class 2, and Class 3 pursuant to this Court's October 28, 2015 Order (**EXHIBIT F**). This proposed distribution of assets will be to Class 4, Class 5, Class 6, and Class 8 in accordance with the Claims Distribution Report dated May 5, 2016. The Claims Distribution Report lists all claims where an approved amount has been recommended in the Final Claims Report and is in accord with section 631.271, Florida Statutes. As is the case with the Final Claims Report for Classes 4, 5, 6, and 8, the Claims Distribution Report is extremely detailed and contains non-public personal information, including personally identifiable financial information, relating to the claimants and can

immediately be made available to the Court upon request. The summary page from the Claims Distribution Report is attached as **EXHIBIT G**.

7. Based upon the *Distribution Accounting Projected for June 2016 Distribution* (attached as **EXHIBIT H**), the Receiver is prepared to make a distribution totaling \$1,221,882.45 (the final pro-rata calculation and the amount distributed may have a slight variance due to rounding at the time of check processing) on Class 4, Class 5, Class 6 and Class 8 claims. This distribution represents a 100% of the recommended claim amount for Classes 4, 5, 6, and 8 claims.

8. In accordance with the Distribution Accounting, the sum of \$219,510.00 shall be reserved for the Receiver's costs of distribution, an anticipated future distribution, discharge of the estate, and wind-up expenses. This is a projected sum and any adjustments to this sum will be made in the discharge accounting.

9. The Receiver recommends that the Final Claims Report for Classes 1-8, Claims Distribution Report and Distribution Accounting be approved.

10. Despite the Receiver's best efforts, some approved claims may have inadequate current address information and/or may have not provided the Receiver with a form W-9, required by the Internal Revenue Service. The distribution amounts that go unclaimed and/or the checks for the claimants that are returned to the Receiver will be verified in an unclaimed property report. The Receiver asks the Court for approval to forward the unclaimed property or funds from the ICF receivership to the appropriate bureau of unclaimed property.

11. In an ongoing effort to maintain accuracy and efficiency, the Receiver proactively works to update its records to reflect change of address information for interested parties (e.g. agents, claimants, creditors, policyholders, subscribers, etc.) before mailing notifications and

distribution checks. The Receiver has access to databases and other publicly available information which provide updated information. The Receiver recommends that it have the authority to search for change of address information when applicable and to use the change of address information for future mailings without further direction of this Court.

12. In order to ensure the validity of claim assignments and that the processing of assignments does not create an undue burden on estate assets, the Receiver does not recognize or accept any assignment of claim by the claimant of record when a distribution motion or petition has been filed with the receivership Court. The Receiver recommends that any assignment on the claims referenced in this motion that are received after the filing of this motion be rejected.

WHEREFORE, the Receiver respectfully requests this Court enter an Order:

- A. Approving the Final Claims Report, Claims Distribution Report and Distribution Accounting;
- B. Authorizing and directing the Receiver to make the above referenced distribution of approximately \$1,221,882.45 as outlined in the Distribution Accounting;
- C. Approving the Receiver's reserving of \$219,510.00 for the costs of distribution, costs of an anticipated future distribution, costs of the discharge of the estate and wind-up expenses;
- D. Approving that unclaimed distribution amounts be transferred to the appropriate bureau of unclaimed property;
- E. Authorizing the Receiver to proactively search for change of address information for interested parties and to use the change of address information for future mailings; and

F. Approving the Receiver's recommendation on assignment of claims.

SUBMITTED this 11<sup>th</sup> day of May, 2016.
