**FLORIDA STATUTE 631.271 Priority of claims.**

631.271 Priority of claims.—

(1) The priority of distribution of claims from the insurer's estate shall be in accordance with the order in which each class of claims is set forth in this subsection. Every claim in each class shall be paid in full or adequate funds shall be retained for such payment before the members of the next class may receive any payment. No subclasses may be established within any class. The order of distribution of claims shall be:

(a) Class 1.—

1. All of the receiver's costs and expenses of administration.
2. All of the expenses of a guaranty association or foreign guaranty association in handling claims.

(b) Class 2.—All claims under policies for losses incurred, including third-party claims, all claims against the insurer for liability for bodily injury or for injury to or destruction of tangible property which claims are not under policies, and all claims of a guaranty association or foreign guaranty association. All claims under life insurance and annuity policies, whether for death proceeds, annuity proceeds, or investment values, shall be treated as loss claims. That portion of any loss, indemnification for which is provided by other benefits or advantages recovered by the claimant, may not be included in this class, other than benefits or advantages recovered or recoverable in discharge of familial obligations of support or by way of succession at death or as proceeds of life insurance, or as gratuities. No payment by an employer to her or his employee may be treated as a gratuity.

(c) Class 3.—Claims under nonassessable policies for unearned premiums or premium refunds.

(d) Class 4.—Claims of the Federal Government.

(e) Class 5.—Debts due to employees for services performed, to the extent that the debts do not exceed \$2,000 for each employee and represent payment for services performed within 6 months before the filing of the petition for liquidation. Officers and directors are not entitled to the benefit of this priority. This priority is in lieu of any other similar priority that is authorized by law as to wages or compensation of employees.

(f) Class 6.—Claims of Union General Insurance Company creditors.

(g) Class 7.—Claims of any state or local government. Claims, including those of any state or local government for a penalty or forfeiture, shall be allowed in this class, but only to the extent of the pecuniary loss sustained from the act, transaction, or proceeding out of which the penalty or forfeiture arose, with reasonable and actual costs occasioned thereby. The remainder of such claims shall be postponed to the class of claims under paragraph (j).

(h) Class 8.—Claims filed after the time specified in F.S. 631.181(3), except when ordered otherwise by the court to prevent manifest injustice, or any claims other than claims under paragraph (i) or under paragraph (j).

(i) Class 9.—Surplus or contribution notes, or similar obligations, and premium refunds on assessable policies. Payments to members of domestic mutual insurance companies shall be limited in accordance with law.

(j) Class 10.—The claims of shareholders or other owners.

(2) In a liquidation proceeding involving one or more reciprocal states, the order of distribution of the domiciliary state shall control as to all claims of residents of this and reciprocal states. All claims of residents of reciprocal states shall be given equal priority of payment from Union General Insurance Company's assets regardless of where such assets are located.
