NOTICE TO AGENT OR BROKER – July 14, 2009

Regarding the Rehabilitation of National Title Insurance Company

The Second Judicial Circuit Court in Leon County, Florida, entered an order placing National Title Insurance Company (“National Title”) in receivership for purposes of rehabilitation effective on July 6, 2009. The Florida Department of Financial Services is the court-appointed Receiver of National Title. A copy of the Rehabilitation Order for National Title is available on the Receiver’s website, www.floridainsurancereceiver.org.

PREMIUM ISSUES:

In accordance with Section 631.155, Florida Statutes, and paragraph 9, on page 5 of the Rehabilitation Order, all premiums you collected on behalf of National Title must be accounted for and paid directly to the Receiver within 30 days of demand from the Receiver. **Please consider this letter as the Receiver’s demand for an accounting and payment of these premiums.** Send the accounting and payment to:

National Title Insurance Company in Receivership
151 SW 27th Avenue
Miami, FL 33135-1428
(305) 642-6220

No agent or broker may use premium monies owed to National Title for any purpose other than payment to the Receiver. Violation constitutes contempt of Court. You have the right to appear before the Court and show cause if you feel that you are not required to account to the Receiver.

POLICY STATUS:

The Rehabilitation Order does NOT cancel the National Title policies. National Title is not writing new insurance policies. The company stopped issuing new title insurance policies as of May 13, 2009. The Receiver is in the process of evaluating the company’s financial situation and whether or not the company may be successfully rehabilitated.

If you have questions on the National Title existing policies, please contact:

National Title Insurance Company in Receivership

151 SW 27th Avenue
Miami, FL 33135-1428
(305) 642-6220

The Receiver will be contacting agents in the near future to collect the unused inventory of policy jackets. At this time, agents should complete an inventory of their current jackets to make sure all are accounted for.

CLAIMS ISSUES:

Claims should be reported to National Title in accordance with the company's normal reporting procedure. If a new claim needs to be filed or to check on a pending claim, please call National Title at (305) 642-6220.

To the extent possible, National Title will be processing claims in the ordinary course of business.

CONTACTING THE RECEIVER:

Please contact the Receiver by using the "Contact Us" form at the Receiver's website, www.floridainsurancereceiver.org if you have any non-claims related questions regarding the receivership (for claims questions, please refer to the phone numbers provided under Claims Issues). You may also contact the Florida Department of Financial Services, as Receiver, at (850) 413-3081.

Your anticipated cooperation and assistance in these matters is greatly appreciated.
