**DISTRIBUTION INFORMATION**

Distribution of estate funds to claimants will be made in accordance with the priority schedule set forth in Section 631.271, Florida Statutes. All approved claims are organized and paid by priority with a Class 1 claim designated as the highest priority to a Class 11 claim considered the lowest priority. All approved claims in a class must be paid in full before any payment is made to the next class. If the next lower priority class does not have sufficient funds to be paid in full, all approved claims in that class are paid in equal pro rata shares. Therefore, depending on the assets available for distribution, you and other claimants in your classification may only receive a percentage of the amount recommended on your claim (i.e. 25% pro rata share distribution of funds in your class equals 25 cents on the dollar). Further information on the current and projected financial condition of «COMPANY» can be found at <http://www.myfloridacfo.com/division/receiver> or the Global Receivership Information Database (GRID) website at [www.naic.org](http://www.naic.org).

As part of its duties, the Receiver must investigate, collect and convert all company assets into cash, prioritize and value claims, and resolve all objections to the results of the Receiver's evaluations. This process usually takes several years to complete. Distributions to claimants are made only if/when sufficient funds become available and the Court has approved the distribution. We cannot currently estimate if/when a payment may be made. Your patience in this process is appreciated.

**CLAIMANT INFORMATION**

If a distribution is made, the payee(s) name(s) on the claim check will be the same as the name(s) appearing on the front of this form. If the information on this form, including address, is incorrect, or becomes incorrect in the future, it is your responsibility to notify the Receiver and document any changes to a claimant's name or address. Information on how to submit a change is available at <http://www.myfloridacfo.com/division/receiver>.

Some non-confidential information (i.e., certain claimant names, addresses and recommended claim information) is compiled by the Receiver and filed with the Court in order to make recommendations regarding the value and class of claims. This information is available to consumers as a public record in accordance with Article I, Section 24 of the Florida State Constitution and Chapter 119, Florida Statutes, and may be accessed through the court files of this receivership or via the Receiver's website.

***IMPORTANT INFORMATION:*** You may be contacted by outside third parties who may offer to purchase your claim in exchange for the transfer of your rights to a distribution, if any, in the future. Please be advised that the Receiver is not in any way affiliated with third party purchasers of claims and cannot advise or counsel individual claimants with respect to any potential distribution amounts or assist a claimant in the personal decision to sell their claim to an outside third party. All available information on the current and projected financial condition of «COMPANY» may be found at <http://www.myfloridacfo.com/division/receiver> or the Global Receivership Information Database (GRID) website at [www.naic.org](http://www.naic.org).
