**NOTICE TO AGENT OR BROKER – NOVEMBER 17, 2011**

**Regarding the Sale of Flood Policies Generated through National Group Insurance Company**

Our records indicate that you were a listed agent on flood policies generated through National Group Insurance Company ("NGIC"). As you know, NGIC is being liquidated. The Florida Department of Financial Services is the Court appointed Receiver of NGIC. On November 9, 2011, the Court approved the sale of flood policies generated through NGIC to Service Insurance Company. Service Insurance Company is located in Bradenton, Florida, and commenced business in 1978. The company is rated A- by A.M. Best.

**POLICY STATUS:**

**Service Insurance Company has assumed all flood policies generated through National Group Insurance Company effective November 9, 2011.** Service Insurance Company will send you additional details regarding the assumption and how you can become an agent for the company, if you are not already. It is anticipated that the policies will continue without interruption under the representation of your agency. Both the Receiver and Service Insurance Company will also send notices to the flood policyholders informing them of the sale and directing them to you if they have any questions regarding the status of their policies. **To reach Service Insurance Company directly, agents may call Robert M.
