CASE NO.: 2013-CA 00358

FLORIDA DEPARTMENT OF FINANCIAL SERVICES' MOTION FOR APPROVAL OF SECOND FINAL CLAIMS REPORT, SECOND CLAIMS DISTRIBUTION REPORT AND DISTRIBUTION ACCOUNTING, AND FOR ORDER AUTHORIZING SECOND DISTRIBUTION

THE FLORIDA DEPARTMENT OF FINANCIAL SERVICES, as Receiver for UNIVERSAL HEALTH CARE INSURANCE COMPANY, INC. ("UHCIC") ("DEPARTMENT"), files this Motion for Approval of Second Final Claims Report, Second Claims Distribution Report and Distribution Accounting, and for Order Authorizing Second Distribution, and states as follows:

- 1. This Court has jurisdiction over the UHCIC Receivership and is "authorized to make all necessary or proper orders to carry out the purposes of the Florida Insurers Rehabilitation and Liquidation Act", Section 631.021, Florida Statutes.
- 2. This Court entered the *Order Approving the Receiver's First Interim Claims Report* and *Recommendation on Claims* on May 6, 2016, which addressed 2 secured claims and non-guaranty claims in Classes 2, 4, 5, 6, 7 and 8.
- 3. The Second Interim Claims Report was approved on May 24, 2018, which reported 1121 claims in Classes 2, 6, 8, 9 and 11.
- 4. The Third Interim Claims Report was approved by this Court on September 6, 2018, which reported two Class 1 claims, one Class 2 claim, and one Class 8 claim.

- 5. On June 25, 2018, the Department sought approval for, and the Court granted, an application to make early distribution to many claimants whose claims were reported and evaluated in the First Interim Claims Report (hereinafter "First ICR"). The Department distributed approximately \$24,819,538.42 to those claimants, consisting of two secured claimants as well as over 3,000 claimants in Classes 2, 4, 5, 6, 7 and 8. The distribution was made on July 19, 2018.
- 6. The Department's Second Final Claims Report dated December 26, 2018 (herein "Second Final Claims Report" or "Report") is a compilation of all claims evaluated to date by the Department, as described above. It is extremely detailed and contains non-public personal information, including personally identifiable financial information, relating to claimants. Pursuant to Federal Law, specifically the Gramm-Leach-Bliley Act, 15 USCS §6801 (hereinafter "the Act"), there is an obligation to protect the security and confidentiality of an individual's non-public personal information.
- 7. In furtherance of the Act's purpose, and to protect claimants of the UHCIC estate, the Department has not attached the full Report to this Motion. Instead, the Department offers the summary page of the Report that reflects the total amounts claimed and recommended by the Department as of the date of filing this Motion (Exhibit A). Upon this Court's request, the Department will immediately provide a full copy of the Report to the Court.
- 8. This Report reflects the classification of filed claims by priority in accordance with Section 631.271, Florida Statutes.
- 9. The total amount claimed to date is \$264,823,891.01. The total amount recommended by the Department to date is \$27,583,927.06. The Report also incorporates the resolution of most, but not all, timely filed objections, and claimant information updates from the Second ICR. Future claimant information updates resulting from the distribution process will be incorporated into the Department's database.

- 10. With the approval of the Report, the Department is now able to make a second partial distribution of receivership assets. Said assets will be distributed 100% of the recommended amount to 128 identified Class 2 and 8 claimants, in accordance with the summary page of the Claims Distribution Report dated December 14, 2018 (herein "Second Claims Distribution Report" or "CDR") (Exhibit B). The CDR lists all claims where an approved amount has been recommended in the Report for distribution at this time and is in accordance with Section 631.271, Florida Statutes.
- 11. Based upon the *Distribution Accounting Projected for February 2019* (Composite Exhibit C), the Department is prepared to make a distribution of approximately \$2,764,388.04 to identified Class 2 and Class 8 claimants. This distribution represents a 100% distribution of the recommended claim amount for these claimants at this classification.
- 12. The Department recommends that the Report, CDR and the Distribution Accounting be approved.
- Despite the Department's best efforts, some approved claims may have inadequate current address information, and/or may not have provided the Department with a W-9 form, required by the Internal Revenue Service. The distribution amounts that go unclaimed and/or the checks for the claimants that are returned to the Department will be verified in an unclaimed property report. The Department asks the Court for authority to remit the funds due to these claimants to the appropriate divisions of unclaimed property in the appropriate states.
- 14. In an ongoing effort to maintain accuracy and efficiency, the Department proactively works to update its records to reflect change of address information for interested parties (i.e. agents, claimants, creditors, policyholders, etc.) before mailing notifications and distribution checks. The Department has access to databases and other publicly available information which provide updated information. The Department recommends that it have the authority to search for change of address information when applicable and to use said information for future mailings without further direction

of the Court.

15. To ensure the validity of claim assignments and that the processing of assignments does not create an undue burden on estate assets, the Department does not recognize or accept any assignment of claim by the claimant of record when a distribution motion or petition has been filed with the Receivership Court. The Department recommends that any assignments on the claims referenced in this Motion that are received after the filing of this Motion be rejected.

WHEREFORE the Department respectfully requests this Court grant this Motion and enter an Order:

- A. Approving the Second Final Claims Report, Second Claims Distribution Report and Distribution Accounting;
- B. Directing the Department to make the above referenced distribution of approximately \$2,764,388.04 to the Class 2 and Class 8 claimants in this receivership identified in the Second Claims Distribution Report;
- C. Approving that unclaimed distribution amounts be transferred to the appropriate division(s) of unclaimed property;
- D. Authorizing the Department to proactively search for change of address information for interested parties and to use the change of address information for future mailings; and
- E. Approving the Department's recommendation on assignment of claims.

IT IS HEREBY CERTIFIED that a true and correct copy of this Motion was electronically filed with the Clerk of Courts by using the ECF system and electronically noticed this day of January, 2019.
