Notes to Financial Statements

Dated December 31, 2018

1. **Estate Information.** Universal Health Care Insurance Company, Inc. is a health insurer, based in Tampa, FL and was placed in rehabilitation on March 22, 2013. It was subsequently placed in liquidation on April 1, 2013.
2. **Basis of Presentation.** The accompanying financial statements have been prepared on a modified cash basis of accounting using a fiscal year of July 1, 2018 through June 30, 2019. The assets are stated at their estimated realizable values, while the liabilities are stated at their gross filed amounts and are periodically adjusted as evaluated, adjudicated and/or paid. Interest is accrued and reinsurance receivables are only posted when billed to reinsurers. In addition, the statements do not provide accruals for all future administrative expenses to liquidate the estate or costs to pursue or litigate claims against others.
3. **Unaudited.** The accompanying financial statements have not been audited by an independent certified public accountant and no opinion is expressed on their compliance with generally accepted accounting principles.
4. **Pooled Investments.** The majority of the invested assets of the estates are combined into two main pooled accounts: The Receiver's operating account held at Wells Fargo and the Special Purpose Investment Account held at the State of Florida Treasury. Each estate's share of the pooled investments is presented on the accompanying financial statements as "Pooled Cash Due from the Admin Fund".

"Pooled Cash Reserved for Distributions" is a segregated amount of Pooled Cash that represents the remaining amount of Pooled Cash reserved for a court authorized distribution(s) that has not been released or reissued.
5. **Cash – Distribution.** Represents voided checks and interest earned on the distribution account.
6. **Special Purpose Investment Account (SPIA) – Restricted.** Consists of an amount resulting from orders in the Desai litigation to Preserve Receivership Funds dated June 29, 2017 and Summary Final Judgment dated July 6, 2017.
7. **Other Assets.** Represents assets such as statutory deposits, and are based on the realizable value plus any accrued interest. These assets consist of the South Carolina and Virginia deposits that have not been released.
8. **Advance to Guaranty Association(s).** Represents funds advanced to guaranty associations for the payment of covered claims and expenses. The guaranty association is obligated to promptly return any of these funds if the Receiver determines that repayment of claims of equal or superior priority is necessary
9. **Secured Claim.** Consists of an amount resulting from orders in the Desai litigation to Preserve Receivership Funds dated June 29, 2017 and Summary Final Judgment dated July 6, 2017.
10. **Distribution Liability.** Represents the remaining liability for a court authorized distribution(s) that has not been released because the Receiver does not have a good mailing address for the claimant or does not have a completed W9 from the claimant.
11. **Claims.** Unless otherwise noted, the Statement of Affairs contains claim liabilities by priority class pursuant to 631.271, Florida Statutes. Unless otherwise stated, the claim liabilities reported are gross filed, un-adjudicated, and have not been reduced by any early access payments from the Florida Receiver. Claim liability numbers are based upon the most current available information and documentation provided to the Receiver from both internal and external sources.
 - The First Interim Claims Report was approved on May 6, 2016. The deadline to file an objection was July 11, 2016. One hundred fifty-seven objections were filed; 156 have been resolved and 1 remains pending with an estimated claimed value of \$1,732,462.83.
 - The Second Interim Claims Report was approved on May 24, 2018. The deadline to file an objection was August 10, 2018. Nine objections were filed; 7 were resolved and 2 remain pending with an estimated value of \$12,640,800.35.

Notes to Financial Statements

Dated December 31, 2018

- A 100% claims distribution for certain Class 2 through 8 was authorized on December 13, 2017.

12. **Interest Distributions.** For companies placed into receivership on or after July 1, 2012, Section 631.271, Florida Statutes authorizes the payment of interest on claims in Classes 1-9 prior to making any payment on shareholder claims. As of 12/31/18, the Receiver projects having sufficient assets to pay partial interest on allowed claims in Classes 1-9. Accordingly, the Receiver has estimated and recorded an interest reserve for the Class 1-9 claims approved to date for distribution. An interest reserve for other allowed claims in Classes 1-9 will be estimated and recorded after these claims have been adjudicated and approved for distribution by the receivership court.
13. **Federal Priority.** Pursuant to 31 U.S.C.A. § 3713, a federal government claim must be paid first, when a debtor to the United States is insolvent. The federal government has taken the position that it is not subject to state insurance liquidation proceeding's claims filing deadlines. To establish finality, shield itself from potential liability, and ultimately discharge the estate, the Receiver requested a federal release from the U.S. Department of Justice (DOJ) on September 12, 2016. The U.S. DOJ release for this estate was received and approved by the court order on January 9, 2017.
14. **Contributed Equity – State of Florida.** The Receiver will, from time to time, expend public funds to carry out certain duties during the course of liquidating an insurance company. The Division accounts for these expenditures as a contribution of equity by the State.
15. **Excess (Deficiency) of Assets over Liabilities.** The excess or (deficiency) represents the estimated realizable value of assets after deducting the current estimate of liabilities. This excess or (deficiency) does not take into consideration any estimates for future administrative costs to liquidate the estate or costs to pursue or litigate claims against others.
