

IN THE CIRCUIT COURT OF THE SECOND JUDICIAL CIRCUIT,
IN AND FOR LEON COUNTY, FLORIDA

In re Receivership of Gulfstream
Property and Casualty Insurance Company

Case No.: 2021 CA 001308

**DEPARTMENT'S MOTION FOR ORDER APPROVING FIRST INTERIM CLAIMS
REPORT AND RECOMMENDATION ON CLAIMS**

The Florida Department of Financial Services, Division of Rehabilitation and Liquidation ("Department"), as Receiver of Gulfstream Property and Casualty Insurance Company ("Gulfstream"), hereby files its *Motion for Order Approving First Interim Claims Report and Recommendation on Claims* and in support thereof states the following:

1. Pursuant to section 631.021(1), Florida Statutes, this Court has jurisdiction over the Gulfstream receivership and is "authorized to make all necessary or proper orders to carry out the purposes of" the Florida Insurers Rehabilitation and Liquidation Act, Part I of Chapter 631, F.S.

2. On July 28, 2021, this Court entered a *Consent Order Appointing the Florida Department of Financial Services as Receiver of Gulfstream Property and Casualty Insurance Company for Purposes of Liquidation, Injunction, and Notice of Automatic Stay* ("Liquidation Order").

3. On December 8, 2021, this Court entered an *Order Granting the Department of Financial Services' Motion for Authorization and Approval of Procedure to Deem Unearned/Return Premium Claims as Timely Filed* ("Return Premium Order"). The Return Premium Order approved the Department's proposed procedure to first waive the requirement for policyholders to file a proof of claim form for their Class 3 unearned premium claims ("Class 3 Return Premium Claims") and then deem those Class 3 Return Premium Claims timely filed.

4. In accordance with the Liquidation Order, s. 631.182, F.S., and s. 631.271 F.S., the Department has deemed the Class 3 Return Premium Claims timely filed and compiled a First Interim Claims Report ("Report") applicable to: (a) 62,851 Class 3 claims, (b) 21 Class 6 claims, (c) 3 Class 7 claims, and (d) 35 Class 8 claims in the Gulfstream receivership estate. The Department has evaluated claims in Class 3 for class and amount. Claims in Classes 6, 7, and 8 were evaluated for class only due to insufficiency of estate funds. For the Court's convenience, a summary reflecting the totals from the Report is attached as **Exhibit A**.

5. The Report reflects that the 62,851 non-guaranty association Class 3 Return Premium Claims - each initially reported at one dollar (\$1.00) and in the aggregate reported at \$62,851.00 - have been evaluated by the Department. The Department utilized this one dollar (\$1.00) "placeholder" level principally to accommodate the technical requirements of its claims management system.

6. For the 62,851 Class 3 Return Premium Claims, the Department recommends the aggregate return premium amount of \$490,415.12. A summary reflecting the totals from the Report is attached as "Exhibit A". If the Department is able to pay Class 3 claims in their entirety from Gulfstream estate funds, the Department may proceed to evaluate and pay Class 6 claims in proportion and to the extent that Gulfstream estate funds are available and sufficient with respect to this class.

7. The Report further reflects that the Department thus far has evaluated the following claims solely to determine their appropriate class: (a) 21 Class 6 claims with an aggregate claimed amount of \$507,466.79, (b) 3 Class 7 claims with an aggregate claimed amount of \$40,962.58, and (c) 35 Class 8 claims with an amount of \$1,436,908.54. See Exhibit A. Based on the information presently available, the Department has determined that there are

not estate funds available and sufficient with respect to Class 6, 7, and 8 claims.

8. In order to assure the validity of claim assignments, assure that the processing of claim assignments does not create an undue burden on estate resources, and assure that claim assignment decisions are made using the best information available, the Department does not recognize or accept any assignment of claim by the claimant of record to another party unless the following criteria are met:

- A. A distribution petition has not been filed with this Court;
- B. The Department has been provided with a properly executed and notarized assignment of claim agreement entered between the parties; and
- C. The Department has been provided with a properly executed and notarized Department's Assignment of Claim Change Form and all required supporting documentation.

9. The Department's Assignment of Claim Change Form shall contain an acknowledgement by the claimant, or someone authorized to act on behalf of the claimant, that:

- A. The claimant is aware that the financial information regarding claims distribution and payments published on the Department's website or otherwise available can assist the claimant in making an independent and informed decision regarding the sale of the claim;
- B. The claimant understands that the purchase price being offered in exchange for the assignment may differ from the amount ultimately distributed in the receivership proceeding with respect to the claim;
- C. It is the claimant's intent to sell their claim and have the Department's records be permanently changed to reflect the new owner; and
- D. The claimant understands that they will no longer have any title interest, or rights to the claim including future mailings and distribution if they occur.

10. Pursuant to s. 631.182, F.S., claimants are entitled to notice of the Department's recommendation on their claims and the deadline for filing an objection. The deadline that will be established for filing objections will not be less than forty-five days from the date of the Court's Order granting approval of the Report. A sample of the "Notice of Determination" containing this information and provided to claimants is attached hereto as **Exhibit B**.

11. The Department has a procedure for dealing with late-filed objections. For any objection filed after the deadline, the Department will send a letter to the claimant advising the claimant that their objection was not filed in compliance with Florida Statutes and this Court's Order and therefore will not be handled as a filed objection. A copy of this letter will be filed with the Court.

12. In an ongoing effort to maintain accuracy and efficiency, the Department proactively works to update its records to reflect change of address information for interested parties (e.g., agents, claimants, creditors, policyholders, subscribers) before mailing notifications and distributions. The Department has access to databases and other publicly available information which provide updated address information. The Department requests the authority to search for change of address information when applicable and to use the change of address information for future mailings without further direction of this Court.

13. The Department requests that its recommendations be approved unless an objection is filed thereto within the deadline set by the Court.

14. WHEREFORE, the Department moves this Court for entry of an Order:

A. Approving the Department's First Interim Claims Report and Recommendation on Claims;

B. Approving the Department's sample Notice of Determination and

authorizing and directing the Department to provide notice to each claimant of the Department's recommendations regarding their claim, by U.S. mail and/or electronic mail to the last known physical and/or electronic mail address as shown in the Department's files or to any subsequently revised address of such claimant as ascertained by the Department;

C. Authorizing and directing the Department to update its records to incorporate change of address information for an interested individual/entity (e.g. agent, claimant, creditor, policyholder, subscriber) if the Department determines that there has been a change of address for an interested individual/entity and authorizing the Department to use the change of address information for future mailings;

D. Authorizing and directing the Department to establish an objection filing deadline that is not less than forty-five (45) days from the date of this Court's order granting approval of the Report;

E. Directing all persons or entities who have filed claims, or had them deemed filed, as herewith reported to the Court, to file any objection that they may have to the Department's Report with the Clerk of this Court on or before 11:59 p.m. on the objection filing deadline at:

Clerk of the Leon County Circuit Court
Leon County Courthouse
301 S. Monroe Street
Tallahassee, FL 32301

And requiring a copy of said objection be served on the Department at:

Florida Department of Financial Services
Division of Rehabilitation and Liquidation
As Receiver of Gulfstream Property and Casualty Insurance Company
325 John Knox Road, Atrium Bldg., Suite 101
Tallahassee, FL 32303

F. Requiring any person or entity filing an objection to clearly state the name

and claim identification number of the person or entity filing the objection and to provide documentation supporting the objection and claim and declaring that the Court will not consider any information or documentation submitted after the objection is filed;

G. Approving the Department's procedure for recognizing and accepting assignment of claims;

H. Approving the Department's procedure for addressing late-filed objections; and

I. Approving the recommendation contained in the *Department's Motion for Order Approving First Interim Claims Report and Recommendation on Claims* for which no objections are filed.

Respectfully submitted on this 6th day of October 2025.

FLORIDA DEPARTMENT OF FINANCIAL SERVICES, RECEIVER «company»

PAYMENT OF CLAIMS INFORMATION

Please be advised that the assets in the receivership estate of «COMPANY» may not be sufficient to fund a distribution payment to all claimants. Distribution of funds to claimants is made in accordance with Section 631.271, Florida Statutes. This statute specifies the order in which claims are paid and may differ depending on the year the company was placed into receivership. Beginning with Class 1, all approved claims in a class must be paid in full before any payment is made to the next class. If there are insufficient funds to pay a class in full, all approved claims in that class are paid in equal pro rata shares. Therefore, depending on the assets available for distribution, you and other claimants in your class may only receive a percentage of the amount recommended on your claim (i.e. 25% pro rata share distribution of funds in your class equals 25 cents on the dollar). Further information on the financial condition of «COMPANY» can be found at the Department's website listed below.

As part of its duties, the Department must investigate, collect and convert all company assets into cash, evaluate claims and resolve all objections regarding the Department's evaluation. This process usually takes several years to complete. Distributions to claimants are made only if/when sufficient funds become available and the Court has approved the distribution. We cannot currently estimate if/when a payment may be made. Your patience in this process is appreciated.

CLAIMANT INFORMATION

If a distribution is made, the payee(s) name(s) on the claim check will be the same as the name(s) appearing on the front of this form. If the information on this form, including address, is incorrect, or becomes incorrect in the future, it is your responsibility to notify the Department and document any changes to a claimant's name or address. Information on how to submit a name and/or address change is available at the Department's website listed below.

Some non-confidential information (i.e., certain claimant names, addresses and recommended claim information) is compiled by the Department and filed with the Court in order to make recommendations regarding the value and class of claims. This information is available to consumers as a public record in accordance with Article I, Section 24 of the Florida State Constitution and Chapter 119, Florida Statutes, and may be accessed through the court files of this receivership or via the Department's website.

IMPORTANT INFORMATION: You may be contacted by outside third parties who may offer to purchase your claim for a discounted amount in exchange for the transfer of your rights to a distribution, if any, in the future. Please be advised that the Department is not in any way affiliated with third party purchasers of claims and cannot advise or counsel individual claimants with respect to any potential distribution amounts or assist a claimant in the personal decision whether to sell their claim to an outside third party for less than the full amount recommended or wait for a distribution. All available information on the financial condition of «COMPANY» may be found at the Department's website listed below.
