The President of the Senate, the Speaker of the
House of Representatives, and the
Legislative Auditing Committee

INDEPENDENT AUDITOR'S REPORT ON THE SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS REQUIRED BY THE UNIFORM GUIDANCE

We have audited the financial statements of the governmental activities, the business-type activities, the aggregate discretely presented component units, each major fund, and the aggregate remaining fund information of the State of Florida as of and for the year ended June 30, 2024, and the related notes to the financial statements, which collectively comprise the State of Florida's basic financial statements. We issued our Independent Auditor's Report thereon dated February 28, 2025, which contained unmodified opinions on those financial statements. Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the State of Florida's basic financial statements.

The accompanying **SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS** is presented for purposes of additional analysis as required by Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance) and is not a required part of the basic financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements. The information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the **SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS** is fairly stated, in all material respects, in relation to the basic financial statements as a whole.

Respectfully submitted,

Sherrill F. Norman, CPA

*Notes to the Schedule of Expenditures of
Federal Awards*

NOTE 1 - BASIS OF PRESENTATION AND SIGNIFICANT ACCOUNTING POLICIES

The Schedule of Expenditures of Federal Awards has been prepared in accordance with the Uniform Guidance and presents the Federal awards expended by the State of Florida. The Single Audit Act Amendments of 1996 (Public Law 104-156) and the Uniform Guidance in subpart F define Federal awards as Federal financial assistance and Federal cost-reimbursement contracts that non-Federal entities receive directly from Federal awarding agencies or indirectly from pass-through entities. Federal financial assistance is defined as assistance that non-Federal entities receive or administer in the form of grants, loans, loan guarantees, property, cooperative agreements, interest subsidies, insurance, food commodities, direct appropriations, or other assistance.

The following summary of the State of Florida's significant accounting policies and related information is presented to assist the reader in interpreting the Schedule of Expenditures of Federal Awards and should be viewed as an integral part of the accompanying schedule.

Reporting Entity

The reporting entity for the purposes of the accompanying schedule is the State of Florida primary government (i.e., legislative agencies, the Governor and Cabinet, departments and agencies, commissions, boards of the Executive Branch, and various offices relating to the Judicial Branch), the State Universities (SU), and the State Community Colleges and Florida Colleges exclusive of any component units of the State Universities and Community Colleges and Florida Colleges.

Assistance Listing Number (ALN)

The Assistance Listing Number (ALN) is a government-wide compendium of individual Federal programs. A five-digit program identification number (ALN) is assigned to each program included in the catalog. Those programs that have not been assigned an ALN by the Federal Government and those programs for which ALNs could not be identified are entitled "Other Federal Awards" on the accompanying schedule and listed as ALN "XX.UXX". The "U" stands for unknown, while the following "XX" represents the sequential numbering of the Federal Awarding Agency. Unknown programs that are also research and development programs are listed as ALN "XX.RD".

Federal Expenditures

The column on the accompanying schedule captioned "Federal Expenditures," includes amounts using different bases of accounting. The reporting entities also include expenditures related to transfers received from other State Agencies, State Universities, State Community Colleges, and Florida Colleges in this column.

Amounts reported by State Agencies, State Universities, State Community Colleges, and Florida Colleges were determined in accordance with the accrual and modified accrual basis of accounting, with the exception of Florida International University, Florida State University, and the University of Florida, which reported expenditures using the cash basis of accounting.

Appropriate expenditures are recognized, as applicable, in accordance with either OMB Cost Principles or cost principles contained in Title 2 U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards, wherein certain types of expenditures are not allowable or are limited as to reimbursement.

Expenditures reported for the Unemployment Insurance (UI) Program (ALN 17.225) and the Direct Loans Program (ALN 84.268) are reported using the accrual basis of accounting.

Appropriate adjustments have been made to the expenditures reported on the accompanying schedule to preclude reporting both the transfers of Federal awards between the various State Agencies, State Universities, State Community Colleges, and Florida Colleges, and the subsequent expenditures.

Amounts Passed Through to Subrecipients Column

The column on the accompanying schedule captioned "Amounts Passed Through to Subrecipients" represents the amounts transferred by the State Agencies, State Universities, State Community Colleges, and Florida Colleges to subrecipients that are not included in the State's Schedule of Expenditures of Federal Awards. The amounts in this column are also included in the column captioned "Federal Expenditures". Transfers of Federal awards between the State Agencies, State Universities, State Community Colleges, and Florida Colleges are not included in this column.

American Recovery and Reinvestment Act of 2009 (ARRA)

On February 13, 2009, Congress passed the American Recovery and Reinvestment Act of 2009 (Public Law 111 -5) (Recovery Act). The Recovery Act's three main goals are to create and save jobs, jump-start economic activity and invest in long-term economic growth, and promote accountability and transparency in government spending.

To maximize the transparency and accountability of funds authorized under the Recovery Act, recipients covered by the Single Audit Act Amendments of 1996 and Uniform Guidance must separately identify the expenditures for Federal awards under the Recovery Act on the Schedule of Expenditures of Federal Awards.

ARRA funds reported during the 2023-2024 fiscal year are included within the accompanying schedule. Expenditures reported on the accompanying schedule for ARRA awards totaled \$1,941.

COVID-19 Emergency Acts

In response to the COVID-19 outbreak, Congress has passed three major emergency measures to provide relief to families and the U.S. economy. On March 6, 2020, the Preparedness and Response Supplemental Appropriations Act was signed into law as the first phase and allocated \$8.3 billion of aid to the United States' public health response to COVID-19. On March 18, 2020, Families First Coronavirus Response Act was the second phase and provided relief for both employers and employees who were affected by COVID-19.

On March 27, 2020, Congress passed the third COVID-19 stimulus law, the Coronavirus Aid, Relief, and Economic Security (CARES) Act is a \$2.2 trillion economic stimulus package that aids industries suffering from the pandemic and provides economic relief to families and small businesses who are suffering. The Health and Economic Recovery Omnibus Emergency Solutions Act or the Heroes Act, a \$3 trillion stimulus package, was passed on May 15, 2020, and is intended to supplement the CARES Act stimulus package.

As described in 2 CFR section 200.510(b), COVID-19 Emergency Acts funding is designated as "COVID-19" and reported separately on the accompanying SEFA schedule (and the SF-SAC). The relief funds are assigned a separate ALN and apply to both the portion of existing federal programs and the new COVID-19 only programs.

COVID-19 related award expenditures during the 2023-2024 Fiscal Year are included within the accompanying schedule and totaled \$7,501,516,341.

Additionally, the American Rescue Plan Act of 2021 (ARP) (Pub. L. No. 117-2) further extended and modified the programs provided under the CARES Act and Continued Assistance to Unemployed Workers Act of 2020.

Disaster Grants – Public Assistance (ALN 97.036)

After a Presidential-Declared disaster, FEMA provides a public assistance grant to reimburse eligible costs associated with repair, replacement, or restoration of disaster-damaged facilities. The Federal government reimburses in the form of cost-shared grants which requires state matching funds. For the fiscal year ended June 30, 2024, \$4,015,471 of approved eligible expenditures that were incurred in a prior year are included on the schedule.

The State participates in several Federal awards programs in which noncash benefits are provided through the State to eligible program participants. The programs where noncash benefits were used are identified in the following table.
