**Congratulations** on entering the Deferred Retirement Option Program (DROP). The Florida Deferred Compensation Plan is dedicated to helping employees achieve a secure retirement. Be on the lookout for additional information.

DROP participants no longer make a 3% contribution to the Florida Retirement System (FRS). Consider contributing all or part of that 3% to the Florida Deferred Compensation Plan. Enroll or increase today!

The Plan is an excellent option for your DROP accumulation. Consolidate other eligible retirement accounts, and contribute accrued annual and sick leave payouts into the Plan.
