To Whom It May Concern / Dear Nationwide Retirement Solutions Team,

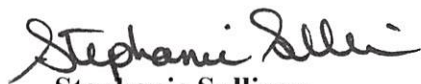

On behalf of Court Administration Human Resources, I would like to express our sincere appreciation to Nationwide Deferred Compensation for the outstanding service and support provided to our employees through the State of Florida Deferred Compensation Program.

Nationwide has consistently demonstrated a strong commitment to excellence, and it has been a pleasure partnering with your organization. We are especially grateful for the exceptional work of your representative, Dan Harris. His expertise, professionalism, and dedication have made a significant impact on our employees' understanding and engagement with their financial planning. Dan's approachable and informative style has encouraged greater participation and empowered our employees to take proactive steps toward securing their financial futures. Personally, I have greatly benefited from his responsiveness and depth of knowledge.
