FCOR Assumptions

Critical Operational Elements	Assumption	Status	Date Logged or Removed	Impacted Stakeholder(s) and/or System(s)	Reporting Period Comments or Updates
People Processes Technology	The agency will be able to access the available Administered Funds to support readiness activities	Logged	07/01/23	All agency business systems and FDC PM roles	July 31st, FDC submitted a budget amendment requesting funds for staff augmentation to perform project management functions for the agency's readiness activities. Due to the overallocation of FDC key subject-matter resources, hiring consultants and other resources to augment the FPST Project is essential for the department's continuity of operations and successful transition to the Florida PALM solution.
People Processes Technology	There will be sufficient engagement by resources knowledgeable about agency business processes and technical capabilities	Logged	07/31/23	All agency business systems and CCN roles	Currently still relevant.
People Processes Technology	FCOR's Change Champion Network will continue to attend workshops, working sessions, meetings, and other forums for collaboration to ensure the continued functionality of inbound and outbound interface points between the two agencies.	Logged	07/31/23	All agency business systems and CCN roles	Currently still relevant.
People Processes Technology	FCOR will understand and document our current state technical architecture and business systems and modify to integrate with the financial management solution.	Logged	07/31/23	All agency business systems and CCN roles	Continually updating as needed.
People Processes Technology	FCOR will understand and document our internal processes and modify them where possible to accommodate the financial management solution functionality.	Logged	07/31/23	All agency business systems and CCN roles	Currently still working on Task 328.
