# User Acceptance Testing

## Overview

- ▶ Today's kickoff meeting will familiarize User Acceptance Testing (UAT) Participants and Security Access Managers (SAMs) with details of UAT sessions and understand expectations during testing.
- ▶ Relevant Master Readiness Workplan (MRW) Tasks:

Task ID	Task Name
FUNC37	Identify UAT Participants
TECH103	Provide Interface Files to Support User Acceptance Testing
FUNC44	Participate in User Acceptance Testing Kickoff
FUNC42	Participate in User Acceptance Testing
TECH101	Coordinate Security Access Manager Support for User Acceptance Testing

# User Acceptance Testing

## Overview

- ▶ UAT strategically targets representative agencies and a sample of the State's end users to validate Florida PALM works as designed.
  - DFS Divisions of A&A and Treasury, DACS, DBPR, DEO, DEP, DFS, DOH, and DOR
- ▶ Conducted to confirm end users can perform their work functions in Florida PALM.
- ▶ Gives an opportunity for end users to “see, feel, and experience” Florida PALM before it is deployed into production.

# User Acceptance Testing

## Overview

- ▶ UAT virtual sessions will be conducted starting March 25 through April 30.
- ▶ The tables on the next slides identify the business processes, associated agency, and DFS Florida PALM end user roles that are planned to be tested during each week of UAT.

# User Acceptance Testing

## UAT Participant Expectations

- ▶ Review UAT Schedule and identify which days you should attend based on your agency and role.
- ▶ Complete the execution of UAT Scripts with the assistance and support of Florida PALM UAT Support Staff. Florida PALM UAT Support Staff will help answer questions, log defects or discrepancies as System Investigation Requests (SIRs) and capture concerns.
- ▶ Document the results of each UAT Script through capturing screenshots. Screenshots will not need to be provided for each step, instead, you will be prompted within the UAT Script when to take screenshots.

# User Acceptance Testing

## UAT Participant Expectations

### ▶ UAT Participants:

- are expected to have logged into the Florida PALM UAT system to confirm access has been established.
- may be asked to re-execute a UAT Script or portions of the script to provide additional supporting detail for the testing results.
- will be given a pulse survey, at the end of UAT, to provide feedback based on their UAT experience.

# User Acceptance Testing

## SAM Expectations

- ▶ Be available during the time your agency will be participating virtually in each UAT session. You do not need to attend the UAT sessions.
- ▶ If your assistance is requested during a UAT session, you will be contacted through email by a Florida PALM UAT Support Staff.
- ▶ Assist your agency in troubleshooting and resolving log on and access issues (to pages, reports, etc.) that may arise.
