

Cruising into Florida PALM Updates

FLAIR

VS

Florida PALM

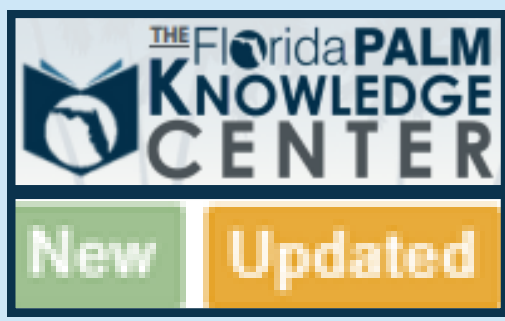

What can Florida PALM offer you?

- A modern tool like Florida PALM provides:
- Uploading and exporting of information via Excel
 - Attaching files to transactions or records
 - Near real-time processing
 - Workflow capabilities

- Like apps you use now, Florida PALM has:
- Modern search, lookup, and drilldown capabilities
 - Periodic upgrades to provide new features
 - Customizable views for user preference
 - Intuitive navigation and usability

Want to know the latest information on Florida PALM?

The Florida PALM Knowledge Center serves as a central hub of information about Florida PALM. Recently the Project added resources for Reports, Interfaces, and Budget Conversions. Look for the **"New"** or **"Updated"** icons to locate the newest information.

Can you speak Florida PALM?

One of the critical success factors for DFS' transition into Florida PALM is for our staff to be able to interpret and analyze the new Chart of Accounts (COA) in Florida PALM, as well as the changes to the FLAIR vocabulary we use today.

Check out these great resources to learn how to speak Florida PALM:

DFS Florida PALM Stakeholders' Site

The DFS CCN has recently launched our Florida PALM Stakeholders SharePoint Site. This SharePoint is designed to help DFS staff learn about all things Florida PALM and to help our staff prepare for transition.
