**GET READY FOR FLORIDA PALM!**

On Tuesday, July 30 our monthly POC meeting got exciting! The POCs that attended got a first-hand opportunity to compete live by playing 2 of the available games on our new Stakeholder SharePoint site. To say the room got loud (and proud) is an understatement. If you haven't played any of the games available, this resource is an exciting and FUN way to learn all of the fun concepts and vocabulary headed your way with the implementation of Florida PALM.

The CCN encourages you to play these games and even use them as ice breakers in your upcoming meetings!
