Subject: Action: MRW Task TECH110 – Agency IDP SMEs Add CMS Wave End Users to Agency’s Identity Provider

Hello,

In preparation for CMS Wave launch, your agency’s Identity Provider (IDP) SMEs must add your agency’s identified CMS Wave end users to your agency’s identity provider. End users must be added to your agency’s IDP before they are able to log on to Florida PALM. Reference your agency’s Role Mapping Workbook for a list of end users and their role.

The MRW task is scheduled for completion by June 18. Please email FloridaPALM@myfloridacfo.com once this task has been completed. Any notices of completion received before June 16 will be shared with the Executive Steering Committee Meeting who will be assessing the readiness to begin pre-cutover activities for the CMS Wave launch.

Please email FloridaPALM@myfloridacfo.com if you have questions.
Thank you,
