D. Production Operations

Activities continue to be completed under normal business operations.

E. Deal Management

Treasury has procured a “best of breed” investment accounting solution that will support investing into current as well as more complex security types that will provide higher rates of return. The contract was executed during September 2022 and work continued during May.

Clearwater completed the initial data upload and has verified and reconciled approximately 22 accounts. Integration activities with BNY Mellon and Bloomberg AIM have also been completed. Integration testing with Florida PALM began in April. File layouts and data were validated by Florida PALM in May. Full UAT and connectivity testing is planned to be completed in June 2023. The application is planned to go live with fiscal year 2023-2024 activities on July 1, 2023.
