

# More Functionality. Fewer Codes.

No more 29-digit account codes. Learn more about this change on the [Chart of Accounts Page](#) on the Florida PALM Website.

## Florida PALM ChartFields

## FLAIR Data Elements

Statewide

Business Unit  
Specific

**Accommodated  
FLAIR Data  
Elements**

Represents FLAIR Data Elements that will no longer be a necessary ChartField due to being incorporated within the system design and standardized business processes.
