23. Old Business
A. Application(s) for Embalmer Apprenticeship
(1) Recommended for Approval without Conditions
(a) Brown, Jerard J.

Chair – Next, I'd like to go a little bit out of order and go to Item 23, Old Business, that was added to the agenda later and is part of your amended agenda. So, let's go to Item 23. Ms. Simon?

Ms. Simon – Thank you, Mr. Chairman. The applicant submitted an application to become an Embalmer Apprentice on March 22, 2017. The application was incomplete when submitted. All deficient items were returned on May 10, 2017. A completed background check revealed that the applicant has pending criminal actions in Clinch County, Georgia. The applicant has been indicted on six (6) counts of Child Molestation and six (6) counts of Sexual Battery Against a Child Under

16. The applicant was on the agenda earlier this year and at that time the matter was tabled after the applicant waived the deemer provisions. We intended on coming back before the Board once the criminal charges had been dealt with and had been disposed of. On October 20, 2017, the charges against Mr. Brown were nolle prossed (dismissed). The effect of the nolle prosequi is that Mr. Brown is no longer under a requirement to report this matter to the Board on an application for an Embalmer Apprentice. As a result of these actions that have occurred since the previous time Mr. Brown was before the Board, the Division is recommending approval of this licensure without conditions.

Chair – Thank you. Is Mr. Brown on the call? Mr. Jerard Brown? Mr. Brown? Mr. Brown? No response. Board? I think we all remember when he came before the Board and the direction was after the charges were addressed, come back with an application.

Mr. Helm – Mr. Chairman, this is Helm.

Chair – Mr. Helm?

Mr. Helm – I couldn't quite understand Ms. Simon when she said, as I understand it, the charges were dropped?

Ms. Simon – Yes sir.

Chair – Ms. Simon, would you repeat that part of your statement?

Ms. Simon – Yes sir. The charges were nolle prossed, which essentially means they were dismissed by the state attorney involved in this matter.

19. Request(s) to Renew License (Criminal History)

A. *Recommended for Denial*

(1) *Griffin Jr, Thomas F044005*

Ms. Simon – Mr. Griffin is present here in the Pepper Bldg. today and has applied to renew his Funeral Director and Embalmer license (F044005). Mr. Griffin has stated that he answered “no” to the criminal history question in error, as explained in the enclosed email. The relevant criminal history is as follows:

- In March 2016, Mr. Griffin pled no contest to Driving While License Suspended/Revoked as a Habitual Offender. He was placed on two (2) years of probation, incarcerated for one day, and he was required to submit to ten days of Jail Work Camp. Mr. Griffin was also required to pay \$670 in fines and costs.
- In July 2016, Mr. Griffin pled no contest to Possession of Narcotic Paraphernalia. He was credited for two days of incarceration and received \$270 in fines and costs.
- It appears the Applicant violated his probation and an arrest warrant was issued. At the hearing on September 5, 2017, the Applicant admitted the Violation of Probation allegations. His probation was reinstated at this hearing.

The Division is recommending denial based upon the fact that it appears that the applicant is still on criminal probation. For the Board's edification, we received a reference letter yesterday regarding the applicant's overall character from a Chelsea M. Johnson Griffin, but we were unable to get it on the agenda.

Chair – Did the letter address his criminal past?

Ms. Simon – It did not.

Chair – Thank you. Mr. Griffin?

Mr. Thomas Griffin – Yes sir?

Chair – Would you like to address the Board?

Mr. Griffin – Well, the only thing I can say regarding my criminal past is just more or less, the driving while the license was suspended or revoked. The other charge regarding possession, I wasn't driving the vehicle.

Ms. Simon – Mr. Griffin, hold on for I second. I'd like to swear you in.

Mr. Griffin – Okay.

Ms. Simon – If you'd lift your right hand. Do you swear to tell the truth, the whole truth and nothing but the truth?

Mr. Griffin – I do.

Ms. Simon – Please continue, sir.

Mr. Griffin – In regards to the possession of paraphernalia, I wasn't driving the vehicle at the time period. I had a gentleman who had my truck earlier, who came to pick me up. Since it was my truck, when we were pulled over, they charged me for the possession since it was my vehicle. Other than that, the only thing I'm wrong for is driving while my license was suspended/revoked. Other than that, as for my character and when it comes to funeral service, I've been serving the community a long time in my family's business. I'd like to continue what I've been doing for years, in good faith of the Board.

Chair – Mr. Griffin?

Mr. Griffin – Yes?

Chair – How long is your probation now that there's a violation of probation allegation? How long is your probation?

Mr. Griffin – Now, to my knowledge, my probation should be up in April or May of next year.

Chair – And what are you currently doing for employment?

Mr. Griffin – Funeral service is the only job I have for employment.

Chair – Would you repeat that?

Mr. Griffin – Funeral service is the only job that I have for employment. I'm employed by Strong and Jones Funeral Home here in Tallahassee FL.

Chair – Thank you.

Mr. Helm – Mr. Chairman?

Chair – Mr. Helm?

Mr. Helm – Mr. Griffin, it says habitual offender. What are you a habitual offender of?

Mr. Griffin – That's while I'm driving. So basically, if you have charges during the time period you're behind the wheel, I think more than three (3) times, they label you as a habitual.

Mr. Helm – And what are those charges for?

Mr. Griffin – Driving while the license is suspended or revoked.

Mr. Helm – All the other ones were the same thing?

Mr. Griffin – The only other charge was for the possession charges. Like I said, with the possession charge, I was a passenger in the vehicle, but since it was my vehicle, they charged me for it.

Ms. Anderson – Mr. Chairman? This is Jean Anderson.

Chair – Yes, Ms. Anderson?

Ms. Anderson – Mr. Griffin, why was your license revoked in the first place?

Mr. Griffin – My driver's license?

Ms. Anderson – Yes.

Mr. Griffin – Well basically, during the time period that I was on probation, two (2) other incidents with driving occurred and so once you have three (3) it becomes habitual. That's when the license is suspended or revoked.

Ms. Anderson – Yes sir, I understand, but I was asking why your driver's license was revoked in the first place.

Mr. Griffin – Because of three (3) incidents behind the wheel.

Ms. Simon – If I may, Mr. Chairman?

Chair – Yes, please.

Ms. Simon – Okay. In the criminal court, Mr. Griffin is correct that three (3) times of driving while license is suspended, while each time is a misdemeanor, I believe the third time makes it a felony. That does not indicate why Mr. Griffin received his first driving while license is suspended, why his license was suspended in the first place and that does not address the violation of probation.

Mr. Griffin – When you're on probation and you get caught doing the same thing, they violate you and then they take you back to court and reassign the probation again. So it happened twice or three (3) times or more and that's why its revoked.

Ms. Anderson – Mr. Griffin, my question was the first time your license was revoked, what was the offense? Why was your license revoked?

Mr. Griffin – It was suspended initially. It's not revoked until...

Ms. Anderson – Suspended? All right then. Why was it suspended?

Mr. Griffin – Because I didn't complete my probation.

Ms. Anderson – Were you charged with driving under the influence or were you involved in a wreck? The very first time you got in trouble with your driver's license and the revoked it, what was the offense?

Mr. Griffin – I had a DUI prior to that.

Ms. Anderson – Okay.

Mr. Hall – Mr. Chair?

Chair – Mr. Hall?

Mr. Hall – Mr. Griffin, if you're a habitual offender and you don't pay attention to the laws of the State of Florida with your driver's license, why are we to believe that you would obey the rules of 497?

Mr. Griffin – Well, I have learned from my mistakes. Currently, as far as driving, I have not been driving over the last couple of years. My wife has been driving me or my staff members or my family to make sure I get to my employment and even on my services I have a driver who drives me on my funerals. I'm trying to do the right thing and correct everything by making amends. I'm doing what needs to be done so I can get my license or a hardship license.

Mr. Clark – Mr. Chairman, this is Andrew Clark.

Chair – Mr. Clark?

Mr. Clark – I just have a quick question so that I understand. Regarding the incident of July 2016, it states on page 16 that there were two (2) counts that Mr. Griffin was charged for: possession of cocaine; and possession of paraphernalia. It appears on the coversheet that he pleaded no contest to the paraphernalia. What happened to Count 1? I'm just curious if Mr. Griffin can explain if Count I, Possession of Cocaine, if he plead no contest to that charge as well or was that charge dropped.

Mr. Griffin – That charge was dropped. Basically, I was in my vehicle. Someone else was driving. When we got pulled over, he fled the scene, so since it was my vehicle, they charged with both but when I went to court they dropped the cocaine charge and kept the paraphernalia charge.

Mr. Clark – Thank you, Mr. Griffin.

MOTION: The Chair moved to deny the application based upon the fact that it appears that the applicant is still on criminal probation. Mr. Hall seconded the motion, which passed unanimously.

In developing the proposed calendar, we had four (4) scheduling objectives:

- The June meeting would be held in conjunction with the annual meeting of one (1) of Florida’s associations, rotating between the associations over the three (3) year period

- One meeting per year would be held at/hosted by one (1) of Florida's mortuary schools, rotating between the three (3) schools over the three (3) year period (Two of the three schools have already confirmed interest in hosting the meeting on the dates indicated on the proposed calendar. We await the third confirmation but expect it soon)
- One meeting per year would be held at each of the four (4) key cities: Tampa, Orlando, Tallahassee, Jacksonville
- Alternate locations would be selected for the other meeting, with a meeting in Florida's panhandle at least once every three (3) years, beginning in Panama City or Panama City Beach in April 2018

As always, meeting dates, times and locations may be subject to change due to unexpected natural events, such as hurricanes and or hotel availability. As an example of that, we're already noticing that there is some potential difficulty in scheduling the meeting in Orlando and Panama City Beach for the 2018 year due to the fact that that is Spring Break and their high season, etc., so we will continue to work on that. We just wanted to go ahead and get started. So with the Board's approval, this is the schedule for which the Division would like to plan. Do we have any questions on the schedule?

Mr. Jones – I like the schedule. This is Mr. Jones.

Ms. Schwantes – Thank you, Mr. Jones. Mr. Chair, if there are no more questions, at this time, I believe it would be appropriate for the Board to vote on the proposed meeting schedule. The Board would need to approve the 2018 schedule and tentatively approve the 2019 and 2020 schedules, subject to confirmation by the Board as we get closer to those dates.

MOTION: Mr. Hall moved to approve the 2018 schedule and tentatively approve the 2019 and 2020 schedules, subject to confirmation by the Board as we get closer to those dates. Mr. Jones seconded the motion, which passed unanimously.

Ms. Schwantes – Thank you very much. We will continue to work on confirming meeting times, locations, etc. and get that information to you as soon as possible, particularly regarding the 2018 schedule.

Chair – Thank you.

B. Operational Report (Verbal)

Ms. Schwantes – My Operation Report for this month is very, very short. We are still waiting for direction from the Governor's Office as to the new Board member appointments. We hope to hear something before the December meeting, but again that is solely dependent on the Governor's schedule and other priorities. The only other item to report is that the next Board Rules Committee meeting will take place in Tallahassee on November 9th, 10a – 3p, and the documentation that will be reviewed for that meeting has already been prepared and submitted to the Committee Members and to others who have expressed interest. That concludes the Operational Report and thank you very much. Ms. Simon?

C. Report: Payment of Disciplinary Fines and Costs (Informational)

Ms. Simon – This item is informational only. Are there any questions?

21. Chairman's Report (Verbal)

Chair – I'd like to recognize Vanessa Oliver for continuing to participate. We really appreciate her participation. I know that she had to leave the call, but we do appreciate Vanessa continuing to serve. That's all I have.

22. Office of Attorney General's Report (Action)
A. Rules Report (Informational)

Chair – Mr. Barnhart?

Mr. Tom Barnhart – Good morning. Board Members, you see down at the bottom of the report, 69K-21.003, the seven (7) day letter has been sent to JAPC this week. Next week, if there's no further feedback from JAPC, the adoption date for that rule should be right around November 7th and then the effective date would be approximately twenty (20) days after that. So, around November 27th, if everything goes well with JAPC, the effective date of that rule will take place at that time. And then just below that, 69K-33.001, {inaudible} the other rule, the notice of the language was published on October 18th. So very shortly we will send a seven (7) day letter to JAPC. The purpose of the seven (7) day letter is to give them notice that we intend to adopt a rule and if they have any objections or questions they can raise them at that time. So if they do not do that then this rule will be following closely behind 69K-21.003 to be effective probably in December. Do you have any questions about the Rules Report?

Chair – Thank you for that.

Mr. Barnhart – You're welcome.

Chair – Anything else to report?

Mr. Barnhart – That's it for me.
