

CHAPTER 497

69K-30.001 DISCIPLINARY GUIDELINES AND PENALTIES

DRAFT - WORKING DOCUMENT - 1/18/2018

(1) The purpose of the disciplinary guidelines is to give notice to licensees and others of the range of penalties which may be imposed for violations of particular provisions of chapter 497, F.S., and rules promulgated thereto. The disciplinary guidelines are based upon a single count violation of each provision listed. Multiple counts of violations of the same provision of chapter 497, F.S., or the rules promulgated thereto, or other unrelated violations contained in the same administrative complaint will be grounds for enhancement of penalties. All penalties at the upper range of the sanctions set forth in the guidelines, i.e., suspension, revocation, etc., may include lesser penalties, i.e., fines, costs, or probation which may be included in the final penalty at the board's discretion. If the board finds that a person is subject to disciplinary action, the board shall issue a final order imposing appropriate penalties within the ranges recommended in these disciplinary guidelines, in the absence of aggravating or mitigating factors.

(2) As an alternative to the provisions of section 497.153, F.S., and pursuant to section 497.155, F.S., the department may provide a licensee with a notice of noncompliance for a minor violation. Minor violations are deemed to be those violations for which there is no substantial threat to the public health, safety, and welfare.

(3) The department shall also have the authority to issue citations for the violations set forth herein if issued within six months after the completion of the inspection or examination or the filing of the complaint which is the basis of the citation. The licensee must confirm that the violation has been corrected or is in the process of being corrected, upon acceptance of the citation. For each violation, there is a range of penalties to be imposed depending upon whether the violation is the first or second violation of the particular provision within the previous six (6) year period. (Multiple occurrences of a specific violation within an examination report will be cited as one violation.)

(4) Definitions. As used in this rule:

(a) "Notice of noncompliance" means an instrument which meets the

requirements set forth in section 497.155, F.S., and which is served upon a person for the purpose of notifying the subject of the violation(s)

(b) "Citation" means an instrument which meets the requirements set forth in section 497.155, F.S., and which is served upon a person for the purpose of assessing a penalty in an amount established by this rule;

(c) "Costs" includes costs of investigation and prosecution as set forth in 497.153(5)(B), F.S.

(d) "Reprimand" is a discipline that the board may impose in addition to or in lieu of any other disciplinary penalty. A reprimand is represented by a written document.

(5) Unless otherwise set out herein, a violation of any provision under Chapter 497, F.S., or violation of any lawful order of the board or department will be considered a violation of section 497.152(1)(a), F.S., and may result in disciplinary action as follows:

(a) Penalty Range 1st Offense: Reprimand, fine of \$1000 to \$2500 plus costs. In addition, probation for 6 months to 1 year, suspension up to 2 years, permanent revocation of license and/or restitution may be imposed.

(b) Penalty Range Subsequent Offenses: Fine of \$2500 to \$5000 plus costs. In addition, probation for up to 2 years, suspension up to 5 years, permanent revocation of license and/or restitution may be imposed.

(6) Based upon consideration of the following aggravating and mitigating factors, the board may impose disciplinary action other than the penalties recommended herein:(a) The danger to the public;(b) The length of time since date of violation;(c) The number of complaints filed against the licensee;(d) The length of time licensee has practiced;(e) The actual damage, physical or otherwise, caused by the violation;(f) The deterrent effect of the penalty imposed;(g) The effect of the penalty upon the licensee's livelihood;(h) Any efforts for rehabilitation;(i) The actual knowledge of the licensee pertaining to the violation;(j) Attempts by licensee to correct or stop violations or refusal by licensee to correct or

stop violations;(k) Related violations against a license in another state including findings of guilt or innocence, penalties imposed and penalties served;(l) Penalties imposed for related offenses under these guidelines; and (m) Any other aggravating and mitigating circumstances.

(7) The board may also impose the following conditions in a disciplinary Order: (a) Fines and costs are to be paid by cashier's check or money order payable to the Board of Funeral, Cemetery, and Consumer Services and delivered to the board office at the Department of Financial Services, Board of Funeral, Cemetery, and Consumer Services, 200 East Gaines Street, Tallahassee, Florida 32399, within 30 days of the effective date of the Order; (b) Continuing Education, when imposed as a condition of probation, will be a minimum of two (2) hours and a maximum of six (6) hours per violation and shall be in addition to those hours required for license renewal. Unless otherwise indicated in the Order, all Continuing Education must be completed prior to the lifting of probation or suspension; (c) Licensee may be required to take and pass the Florida Laws and Rules Examination at his/her own expense, prior to the lifting of probation or suspension; and/or (d) Prior to the lifting of probation or suspension, the board may compel the licensee to attend an in-person meeting of the board and demonstrate compliance with the Order and demonstrate by testimony, presentation of letters of recommendation from friends and supervisors within the industry, and other indicia of rehabilitation, that he or she is able to resume practicing with reasonable care and safety and in compliance with the laws of the State of Florida and rules of this board.

(8) Upon motion and for good cause shown, the usual conditions may be altered by the board at the time discipline is imposed to reflect licensee's ability to comply. Changes include, but are not limited to, extension of time for payment of fines and costs, reduction of the interest rate imposed, altering the time for taking Continuing Education or the Florida Laws and Rules Examination, waiving appearance before the board altogether, or permitting appearance pursuant to paragraph (7)(d), by telephone due to incapacity.

(9) TRUST FUND RESTORATION: IN ADDITION TO ANY DISCIPLINE IMPOSED UNDER THESE GUIDELINES, THE BOARD MAY ORDER A LICENSEE TO REMIT THE FULL AMOUNTS REQUIRED BY CHAPTER 497 TO THE APPROPRIATE TRUST FUND AS PER 497.153(6), FLORIDA STATUTES.

(10) The provisions of these guidelines shall not be construed so as to prohibit civil action or criminal prosecution as provided for in section 497.153, 497.158 or 497.159, F.S., and shall not be construed so as to limit the ability of the board to enter into binding stipulations as per section 120.57(4), F.S.

(11) Violations and penalties are listed below. Descriptions of the violations are general in nature and may not identically match the language provided in statute.
