Maximum Workers' Compensation Rate, Effective January 1, 2012

The Department of Economic Opportunity¹ has determined the statewide average weekly wage paid by employers subject to the Florida Unemployment Compensation Law to be \$802.56 for the four calendar quarters ending June 30, 2011.

Section 440.12(2), Florida Statutes, expressly provides that, for injuries occurring on or after August 1, 1979, the weekly compensation rate shall be equal to 100 percent of the statewide average weekly wage, adjusted to the nearest dollar, and that the average weekly wage determined by the Agency for Workforce Innovation for the four calendar quarters ending each June 30th shall be used in determining the maximum weekly compensation rate with respect to injuries occurring in the calendar year immediately following.

Accordingly, the maximum weekly compensation rate for work-related injuries and illnesses occurring on or after January 1, 2012 shall be \$803.00.
