

## Survey on Florida's Homeowners Insurance Market - I Need Your Feedback

Has your homeowners insurance premium increased significantly? Has your homeowners insurance been cancelled or non-renewed recently? Have you had trouble finding homeowners insurance?

I want to hear from you!

**Homeowners Insurance  
Consumer Survey**

As **Florida's Insurance Consumer Advocate**, I am very concerned about the current state of our homeowners insurance market which has created significant, negative consequences for homeowners.

I created a consumer survey to learn how you have been impacted by the changes in the homeowners insurance market. Your feedback is important to me and helps me develop legislative changes to improve the homeowners insurance market.

The survey should take approximately 10 minutes to complete. Thank you in advance for sharing your feedback.

**Complete the survey:**

A screenshot of the survey form on a dark blue background. At the top, it says "FLORIDA'S INSURANCE CONSUMER" in small white text above the word "ADVOCATE" in a large, bold, white serif font. To the right of "ADVOCATE" is a white outline of the state of Florida. Below this, it says "Homeowners Insurance Consumer Survey" in a bold, white sans-serif font. The form itself is a white box with a dark border. It contains two questions. The first is "What county do you reside in? \*" with a dropdown menu below it that says "Select or enter value". The second is "What is the age of your home? \*" with four radio button options: "Less than 10 years old", "11-15 years old", "16-20 years old", and "More than 20 years old".
