Governor DeSantis signed Senate Bill 1786 on June 21, 2021.

Many of the changes are now effective and others have specific due dates or effective dates. Please refer to the previous Legislative Update shared for a breakdown of the changes and associated dates.

NICA has advised that it is immediately prepared to begin making the payments and offering additional benefits to families as outlined in the bill. You should have been contacted by NICA individually and provided instructions on how you would like to receive the payment. If you have not been contacted by NICA or have not yet responded to the request, please contact NICA @ 850.488.8191.

Sincerely,
