DIVISION OF INVESTIGATIVE & FORENSIC SERVICES

STAFF GRADUATES FROM FBI'S HAZARDOUS DEVICES SCHOOL

CONGRATULATIONS TO DETECTIVE BRIAN MITCHELL

Please join us in congratulating Detective Brian Mitchell on his graduation from the Federal Bureau of Investigation's Hazardous Devices School (HDS). HDS is the only facility in the country that trains and certifies the nation's public safety bomb technicians.

The graduation ceremony, held on March 29, 2019, was the culmination of an intensive six week long public safety bomb technician certification course. The curriculum of the course is intended to train law enforcement and military personnel using the latest technologies and methods of safe and effective bomb disposal practices.

Detective Mitchell is assigned to the North Florida region EOD Team.

We are proud of Detective Mitchell's accomplishments and know that his professional growth will continue to directly benefit our Division's mission as well as the law enforcement community as a whole.
