

DIFS

DIVISION OF INVESTIGATIVE & FORENSIC SERVICES

RECOGNIZES OUR STAFF ON GRADUATING
Administrative Officers Course - 141st Class

CONGRATULATIONS TO Major Burt Himmer

Please join us in congratulating Major Burt Himmer on his recent graduation from the University of Louisville, Southern Police Institute's Administrative Officers Course (AOC) - 141st class.

The graduation ceremony was held today, May 9, 2019, and was the culmination of an intensive 12 week long program comprised of coursework in law enforcement issues, diagnostic problem solving, and administrative law. This course engaged the individual creativity and initiative through the analytical examination of issues and problems faced by contemporary law enforcement executives.

While attending this program, Burt was elected as the Sargent at Arms for his graduating class.

We are very proud of Major Himmer's accomplishments and know that his professional growth will continue to directly benefit our Division's mission as well as the law enforcement community as a whole.
