C. EXCLUSIONS

1. We will not pay for loss or damage caused directly or indirectly by any of the following. Such loss or damage is excluded regardless of any other cause or event that contributes concurrently or in any sequence to the loss.

Page 4 of 8

g. Water

(1) Water that backs up from a sewer, drain, or sump

(2) Water under the ground surface pressing on, or flowing or seeping through:

(a) Foundations, walls, floors or paved surfaces;

(b) Basements, whether paved or not; or

(c) Doors, windows or other openings.

But if loss or damage by fire or explosion results, we will pay for that resulting loss or damage.

(3) Water damage meaning accidental discharge or leaking of water or steam as the direct result of the breaking or cracking of any part of a system or appliance containing water or steam.

2. We will not pay for loss or damage caused by or resulting from:

a. Artificially generated electrical current, including electric arcing, that disturbs electrical devices, appliances or wires. But if loss or damage by fire results, we will pay for that resulting loss or damage.

b. Explosion of steam boilers, steam pipes, steam engines or steam turbines owned or leased by you, or operated under your control. But if loss or damage by fire or combustion explosion results, we will pay for that resulting loss or damage.

c. Mechanical breakdown, including rupture or bursting caused by centrifugal force. But if loss or damage by a Covered Cause of Loss results, we will pay for that resulting loss or damage.

State Purchasing Pgm.

Current Policy Overview

Working with SP

- Subsection 287.022(1), Florida Statutes, provides “Insurance, while not a commodity, nevertheless shall be purchased for all agencies by the department,pursuant to paragraph 287.057(3)(a), Florida Statutes.....”
- State Purchasing operates the Florida Insurance Program, which is responsible for the purchase and management of insurance for executive branch agencies, at their own choosing and based upon funding allocations.
- The purpose and goal of the SP Insurance Program is to provide coverage at the best rates possible for Florida state agencies.
- Paragraph 287.042(2)(a), Florida Statutes, authorizes the Department “to establish purchasing agreements and procure state term contracts for commodities and contractual services, pursuant to section 287.057, **under which state agencies shall, and eligible users may**, make purchases pursuant to s. 287.056.”
- ***Eligible users are limited to state universities, as described by Section 1000.21(6), Florida Statutes.***

Current Policy Overview

Working with SP

- The Contractor or Underwriter will have 30 days from receipt of the Department's request to add a new Named Insured to the State Policy and receipt of all applicable previous and current coverage information to accept or reject a new Named Insured to the State policy.
- The Division of State Purchasing Insurance Program is responsible for the procurement, renewal, and day to day management activities of 22 different insurance policies.
- 13 policies are GROUP policies.
- Group policies are defined as insurance provided to a group under a master contract in the name of the "State of Florida". Group insurance yields lower costs than individual policies written for each member of the group.
- State Purchasing provides this insurance at NO ADDITIONAL COST to the eligible participants, thereby saving the cost of administrative, account management, and other services usually paid to a Broker for these same services.
- The SP Insurance covers a combined insured value of an estimated \$191.5 billion which includes over \$41.5 Billion in real property throughout the State.
- During the 17-18 Fiscal Year, insured agencies and state universities paid \$17,145,685 in premiums for coverages provided by State Purchasing.
