

REPRESENTING
JIMMY PATRONIS
CHIEF FINANCIAL OFFICER
STATE FIRE MARSHAL
STATE OF FLORIDA

Thank you for your interest in the Florida Firefighter Equivalency process for Out of State Firefighters.

The first step of the process is to verify your training. Please submit the following proof of training.

- Firefighter II IFSAC and/or Pro Board certification,
 - **OR**, the attached DFS-K4-1028 form with an attached letter from the Training Chief or Fire Chief, on official letterhead, that validates the number of hours.
- NIMS Training: IS-100, IS-200, IS-700, IS-800 (IS-200 and IS-800 not required for Firefighter I-Volunteer) <https://training.fema.gov/nims/>
- Courage To Be Safe <https://www.everyonegoeshome.com/training/courage-safe-training/>
- Hazardous Materials Awareness and Operations if not included in initial training. (Haz Mat Ops not required for Firefighter I-Volunteer)
- NWCGS: S-130, S-190, L-180 (L-180 not required for Firefighter I-Volunteer)
<http://www.fireinthefield.net/>
- Structural Collapse Awareness <https://www.myfloridacfo.com/division/sfm/bfst/training/course-syllabi/structural-collapse-awareness-class> Quiz: <https://fsfc.questionpro.com/t/AKwdkZ1GwY>
- Proof of EMR, EMT, or Paramedic training.
- Verification of no more than a four (4) year lapse since certification was issued or from last date of employment.
- Create an account in our database: <https://www.myfloridacfo.com/division/sfm/fcdice> This is how official correspondence will be sent and applications made for certification.

After review of your training, you will be notified if the hours we met. If approved, you will at this time receive an application for testing and further instructions. A written and practical exam must both be passed to receive Florida certification.

Documentation of training may be sent to me via email. If you have further questions, please feel free to contact me at the information listed below.

Respectfully,

Mary Ann Benson
