Course Description

This course is designed to provide the student with an understanding of being a company officer. The content covered meets and exceeds the standards for Fire Officer I and Fire Officer II in NFPA 1021 (Standards for Fire Officer Professional Qualifications, 2020 edition). The course will give students an understanding of leadership and management theories, leadership traits, and challenges faced as a company officer.

Course Materials, Grading and Attendance

Recommended Book: Fire Officer, Principles and Practices (4th ed.), Jones & Bartlett. Author Michael J. Ward. ISBN: 978-1-284-17239-3

Prerequisite: None

Pre-course Assignment: None

Required Materials: Paper, Pens, #2 Pencil, USB portable storage device (thumb drive).

Attendance: Students are required to attend all sessions of this course.

- Excused absences – Students are permitted excused absences totaling no more than 10% of class (4.5 hours maximum), the instructor shall be the sole determining authority in the determination of an excused absence and may assign supplemental work to make up for missed class time.
- Unexcused absences – The instructor shall be the sole determining authority in the determination of an unexcused absence (i.e., “no call, no show”). The instructor has no obligation to offer the student an opportunity to make up assignments, including quizzes and/or exams, but may so at his/her discretion.

Grading: Students must achieve a minimum cumulative score of 70% to pass this course. Course grades are determined from assignments and activities including projects, quizzes, exams, and presentations.

- Individual Exercises 20%
- Group Exercises 30%
- Quizzes 20%
- Final Exam 30%

Job Performance Requirements

Given information from discussion and reading materials, the student will satisfy the Job Performance Requirements (JPR) of the applicable National Fire Protection Association (NFPA) standards, any applicable skill sheets.
