STATE FIRE MARSHAL
FLORIDA DEPARTMENT OF FINANCIAL SERVICES

Dear Fire Service Partner,

I am excited to invite you to the **2nd Annual Florida Fire Service Day @ the Capitol**, taking place on **April 3, 2025**, in the courtyard of the Florida Capitol Building on the success of last year's inaugural event, we are poised to make this year's gathering even more impactful as we unite the fire service community, amplify our collective voice, and educate legislators and the public about the essential role of the Florida fire service.

Florida Fire Service Day @ the Capitol is more than just an event; it is a celebration of the fire service's indispensable contributions to the safety and resilience of Florida.

Your participation is key and together we will make this event a resounding success. We invite fire rescue departments, fire service organizations, and partners to join us at the Capitol to highlight the remarkable work being done across our fire service community.

Your involvement will be vital in:

- **Showcasing Specialized Equipment and Vehicles:** Display your apparatus, cutting-edge tools, gear and resources.
- **Highlighting Innovative Initiatives:** Present programs and initiatives that enhance firefighter safety, community health, and disaster response.
- **Conducting Live Demonstrations:** Educate lawmakers and attendees with interactive demonstrations of your skills and expertise.
- **Building Connections:** Network with legislators, fire service leaders, and community organizations to foster collaboration and advocacy.

Last year, we celebrated outstanding achievements, and I'm confident that even more impressive efforts have taken place across the state this year. Help us shine a spotlight on these initiatives by sharing them at this year's event.

Space is limited, and your registration by **March 10, 2025**, will ensure we can accommodate your needs and effectively coordinate the event.
