

Mastercard® Interchange Rate and Payment Network Fee Schedule

Here are the criteria for most interchange programs and payment network fees, and a summary of primary qualifications established by Mastercard®. Keep in mind, the Mastercard network publications will apply to the transaction if there's a conflict between fee schedules. You can find the current Mastercard interchange rates at <https://www.mastercard.us/en-us/business/overview/support/merchant-interchange-rates.html>.

All fees are billed by and owed to Bank of America — this includes fees that have a payment network name in their description.
