This is to notify all interested parties that effective immediately, carriers may fulfill their obligation to provide compensation notices (a/k/a "broken arm poster") to their customers by obtaining such notices from any printer or other supplier of the carrier's choice. Compensation notices must still comply with the form and content requirements specified in section 440.40, Florida Statutes and section 38F-6.007, Florida Administrative Code.

Electronic copies of the artwork for the reproduction of such notices can be obtained by contacting:

Compensation notices are no longer for sale directly by the Division of Workers' Compensation.

NOTICE: The Division of Workers' Compensation has approximately 41,000 compensation notices in Spanish. The warehouse presently used to house them is closing its doors, and the Division has no place to store the notices. They can be ordered for \$0.2 per poster. Free shipping with a minimum order of 2,000 posters while supplies last (orders must be in increments of 1000). Orders will be filled on a first come, first serve basis. Checks should be made out to the "WC Administration Trust Fund" and orders and payment directed to:
