☐ As the employer representative, we choose to accept the Department's calculation method to determine the proportionate share of the cost of workers' compensation premium attributable to WBL students. The Department's method utilizes the Florida Office of Insurance Regulation's only approved premium calculation methodology for all Florida workers' compensation insurers. If you accept this method, the Department will calculate each student's premium using their NCCI Classification Code, the corresponding rate and payroll/100. We understand that the premium reimbursement period is Fiscal Year July 2023 – June 2024.

☐ As the employer representative, we choose to provide our own method to determine the proportionate share of the cost of workers' compensation premium attributable to WBL students. We understand that the premium reimbursement period is Fiscal Year July 2023 – June 2024. We must submit all necessary documentation to support the described method used to determine the proportionate share of the cost of workers' compensation premium in the box provided below.

If you have chosen to provide your own calculation method, please provide the Fiscal Year July 2023 – June 2024 requested premium reimbursement amount: _____

Note that reimbursement may only be sought for the number of students who were considered PAID EMPLOYEES.
